Bristol, Joseph Murphy, 2009-07-01 To succeed you must first believe in yourself Here collected together for the first time are the two most important books ever written on believing in yourself BELIEVE IN YOURSELF Is there a something a force a factor a power a science call it what you will which a few people understand and use to overcome their difficulties and achieve outstanding success I firmly believe that there is and it is my purpose in this first complete exposition of the subject to attempt to explain it so that you may use it if you desire THE MAGIC OF BELIEVING There are many men who quietly use the abstract term success over and over many times a day until they reach a conviction that success is theirs As a man repeats the word success to himself with faith and conviction his subconscious mind will accept it as true of himself and he will be under subjective compulsion to succeed An Eye for the Sky Dr. Suresh K.
