Breaking Generational Curses: Claiming Your Freedom Gabriel Agbo, 2015-02-16

This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library It would also serve as a powerful guide and source for teaching on this subject

Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken This is a correct statement but let's look at Joshua the successor of Moses He was promised the land but he still had to go in and fight for it This holds true for us today because the word in Matthew 11:12 states that the Kingdom of Heaven suffers violence and the violent take it by force

As we will find out from this study there are actions that have been done by some people who have brought a curse against their bloodline This must be dealt with before they can be completely free to fulfill the call of God on their life

Rev Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth

Most people shun this subject of generational curses and would rather not be exposed to it

We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organization to speak on this subject

Again this book will compel you to live a holy life totally dedicated to God

It deals with all areas of life
