Douglas Hammack, 2014-01-13 If it ain t broke don t fix it But it s no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We ve tried trendy and tech savvy entrepreneurial and coffee house gritty They re not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it s time It s been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times Rethinking Our Story reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and contribute to the earth s well being or disappear into oblivion Wreck My Life Mo Isom, 2016-08-02 A NEW YORK TIMES BESTSELLER Inspiring Story of How Brokenness Leads to Bold Faith Jesus promises peace and trouble for his followers But most of us accept the peace and are confused and angry when adversity comes our way All American soccer star Mo Isom knows the struggle firsthand While her life seemed like a success she was battling an eating disorder the suicide of her father and a horrific car accident It wasn t until God wrecked her life that she discovered the glory of renewal through Jesus Christ and that wreckage can be sacred rather than scarring Readers take the journey from broken to bold with her and learn to surrender their lives to the King who was wrecked on their behalf Endorsements Mo reminds us that brokenness is actually the very place God meets us the most and the place where we can find Jesus like never before Jefferson Bethke New York Times bestselling author of Jesus Religion Every person who picks up this book will be challenged entertained and more connected with God by reading it Annie Downs author of Let s All Be Brave Claiming Your Place At The Fire (EasyRead Edition) , Breath of Life!
