Bridges Of The Heart:

Bridges to the Customer's Heart Paul Uduk, 2011-05-25 *Bridges to the Customer's Heart* successfully captures the essence of what it takes to be customer centric. The to do list approach reduces complex concepts to ideas that you can use right on a Monday morning to deliver superior service to the customer in whatever business situation you find yourself. After reading every Bridge you feel like jumping right into the service arena as a genuine apostle of service excellence to do whatever it takes to satisfy the customer. Bridges speaks directly to senior management, frontline people, and the owner manager alike, challenging orthodoxy, business as usual, and mediocrity wherever they raise their ugly heads. *Marriage from the Heart* Donald R. Downing, 2010-04 Marriage is God's idea. He has no bad ideas. He brought Eve to Adam, married them, and they lived as husband and wife for over 900 years. Genesis 2:21-25 and 5:5. By this, we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas, plans, and purpose of marriage between a man and a woman. We seek to find the right person when the greater picture is to be the right person. Man sets the time for the wedding, but God sets the time for the marriage. There is a great difference between a wedding and a marriage. Many walk down the aisle to be wedded for all the wrong reasons. Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts. This book reveals that a man and a woman may marry and yet not be a true husband and wife. It stresses the importance of friendship, courtship, engagement, and being married from the heart. Introducing a revolutionary approach to the covenant of marriage, this book addresses commitment, romance, love, keeping a right heart, a sound mind, and a pure relationship. Dr. Donald R. Downing is a heart physician and specialist from God to the body of Christ. He has written over 12 books and considers *Marriage from the Heart* to be one of his most important writings. He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart. FEATURING DRS MELVIN AND ROBIN THORNHILL. Melvin and Robin Thornhill are the founders and presidents of Destiny New Image Ministries. They have a combined 50 years of experience in family and marriage counseling. **The Heart of Central New York** Martin A. Sweeney, 2022-07-18 In *The Heart of Central New York*, Stories of Historic Homer, NY, Martin A. Sweeney makes the past come alive through this collection of articles from his column in *The Homer News*. Through his writing, Sweeney offers readers a glimpse of the excitement he brought to his classrooms by bringing to life the people, events, manners, and mores of the past in a community that is the heart of Central New York State. This compilation represents Sweeney's successful efforts as a public historian in using the press as a tool for generating interest in his community's unique historical identity. With annotations and a touch of humor, this book illustrates for current and emerging public historians how to successfully engage a community in acknowledging their history matters that the fibers of microhistory contribute to the rich tapestry that is county, regional, state, and national history. **Bridges to the Heart** Oscar Arnold, 1974 **Crossroads of the Heart** Pasquale De Marco, 2025-07-10 *Crossroads of the Heart* is a powerful and moving

Heart of a Lamb Courage of a Lion Boab Curran, 2013 Written by first time author Bob Curran Heart of a Lamb Courage of a Lion tells a heart breaking story of the life of the writer from early years growing up in 60 s Dundee to life as an acclaimed amateur fighter and Royal Engineer Make no mistake this is a very brave piece to have been written Whilst many have penned autobiographies I can think of none that have offered themselves so warts and all as Curran The Scotsman endured a brutal upbringing at the hands of a violent alcoholic father and suffered more of the same growing up attending tough Catholic schools Beaten to a pulp by his Dad teachers and school bullies on a regular basis the tiny lad not only suffered physical hurt but deep emotional scars that remain to this very day Around the horrendous treatment came the boxing bug as the bullied youngster joined a local boxing club aged seven and became instantly addicted Boxing firstly out of the Camperdown ABC before joining the Lochee Boys club the diminutive lad improved his confidence and well being as a young fighter weighing not even seven stone 98lbs There s a highly amusing tale about the young Curran whipping a well known politician in his time at Lochee Thirty years or so later the same politician would brag on Celebrity Big Brother about boxing out of Lochee to the writer s obvious irritation Already a handy fighter and 1970 Scottish youth champion the teenage Curran enlisted in the Army aged 16 where his boxing career flourished going 50 2 in his time there The talented Curran would box the likes of future pro British champion George Feeney in a glittering forces career which saw him crowned British bantamweight champion in the 1973 NABC championships At 18 years old Bob was offered a pro contract by Dave Boy Green s manager Andy Smith but turned it down with hopes of winning the national ABA s and competing in the Olympics Curran turned down the lucrative offer but despite his obvious talent never achieved either distinction and also never turned professional Here is where the story really sours and the book starts becoming increasingly hard to read You ll keep reading though as Bob suffers some spectacular mishaps The Scottish soldier still suffering low self esteem issues and with an underlying self loathing went completely off the rails following the break up of his brief and disastrous first marriage The marriage ended bitterly and further knocked the young man s spirits as he spiralled into depression Eventually thrown out of the forces following a destructive episode in Cyprus Curran was forced to regroup and face up to life away from his beloved 59 Independent Commando squadron The role of an Army physical training instructor is one he had relished and loved before his marriage break up While the book details in depth Curran s days as a champion boxer and Royal Engineer the remaining thirty odd years are skipped through in minimal time The former soldier turned to drugs and heavy drinking in the years after but cleaned up after finding religion He got married again and had children but nothing is mentioned other than none wanted to be included in the biography The former fighter was forced into early retirement in 1999 following a work accident

left him with a serious back injury It is an engrossing read which proves amusing sincere and fascinating The almost Jekyll and Hyde character of Curran leaps out of the pages as a well intentioned but emotionally scarred individual who has an amazing knack of making a bad situation even worse especially with his sometimes acid tongue You will laugh and cry at the manner the story is told very honest with no bravado He remains however a man of sound morals despite his colourful life Considering he has faced a violent upbringing paedophile attacks messy relationships life in the Army all his amateur fights plus drugs and alcohol abuse Bob must be commended by dealing with all of the above and never dodges any subject no matter how the situation may reflect him on a few occasions diabolically so In closing a brutal read which deals with many subjects everyone could do with learning more about especially post traumatic stress disorder and issues with self esteem A highly entertaining book for all but the faint hearted
