Brief Study Of The Ten Commandments

Thomas BENNET (D.D.)

Brief Study Of The Ten Commandments:

Brief Study of the Ten Commandments Martin Murphy, 2014-10-25 I am sure you have heard Christians say I believe in keeping the Ten Commandments Unfortunately many of them are not able to quote the Ten Commandments I wrote this book so Christians might discover or re discover the meaning of the Ten Commandments based on the full counsel of God The underlying motivation was to help Christians develop a worldview that includes God's moral law God's law is not merely a series of moral injunctions The nature of its content is much broader than the Ten Commandments found in Exodus twenty I hope this book will challenge Christians to further study God's law For example the chapter on the fourth commandment explains the Christian work ethic based on the commandment Six days you shall labor and do all your work I have worked on this project from time to time for over twenty years It always challenges me to a deeper understanding of what Christ accomplished for me by saving me from the law so I might serve Him by keeping the law I hope this book will help Christians make godly choices

The Ten Commandments Michael Coogan, 2019-06-18 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men's property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context

John Calvin's Sermons on the Ten Commandments John Calvin, 2019-07-11 A collection of sixteen sermons by John Calvin that shed light on his understanding and application of the Ten Commandments

Widely known as one of the church's most significant theologians John Calvin was also a skilled preacher with the ability to proclaim biblical truth with power and relevance. These sermons develop the essence of his teaching on the moral law in a popular and engaging manner. Pastors preaching through the Ten Commandments Bible students and anyone interested in Calvin's views on the Ten Commandments will take great delight in reading his exposition of the Decalogue which is called the true and eternal rule of righteousness for all who wish to conform their lives to God's will.
