Bricks Without Straw:

Making Bricks Without Straw Sharon Ann Lewis, 2016-06-25 In 1994 I started generating a book Making Bricks Without Straw title is from the Book of Exodus in the Bible Chapter 5 talks about how the children of God who had been in slavery for 400 when God told Moses to go to Pharaoh and tell him to let the Israelites travel for 3 days in the wilderness to worship God Pharaoh hardened his heart He told the slave masters to no longer provide straw for the Israelites who were making bricks using straw and mud This was going to make God s people work harder because Pharaoh also said that in addition to them now having to find straw they still had to meet their quota for the day When I read this scripture in the Bible I am looking at myself in the mirror From 1994 until today I have made bricks with no straw This book is a little long because it deals with my daily thoughts during the initial phase of my Bipolar Disorder diagnosis through me obtaining my Ph D in Chemistry I wrote about everything that was hurting my soul I hope that this book will help anyone who reads the title and the scripture and thinks to themselves Amen

Homiletical Commentary on the Book of Exodus Joseph Samuel Exell, 1879 **Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious *Municipal Journal and Public Works* ,1903 *Municipal Journal and Engineer* ,1903
