Minnesota School Library List, 1912 *Numbers* Mitchel Modine, 2018-05-06 The book of Numbers is a misunderstood book of the Bible It is about a lot more than just numbers Rather it is about the people's journey with God in the desert The Hebrew title of the book Bammidbar means In the Desert indicating that the setting is the most important part of the story The God who delivered his people from Egypt is the same God who will lead them through the wilderness and give them the Promised Land But as the book of Numbers shows us often it is through the experience of being in a desert that God fulfills his purpose It is the same thing for God's people today This commentary opens up the value of this often overlooked Old Testament book to those who find themselves or their churches in a barren place but with the presence of the Lord alongside them The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of

Retelling the Past in Contemporary Greek Literature, Film, and Popular Culture Gerasimos Katsan, Trine Stauning Willert, 2019-01-22 This book deals with historical consciousness and its artistic expressions in contemporary Greece since 1989 from the point of view that contemporary Greeks have been faced with the contradictions between on the one hand a glorious world famous yet distant past and on the other a traumatic contemporary history of wars expulsions civil strife and political and economic crises Such clashes of imaginary identifications and collective traumas call for interpretations not only from historians but also from artists and storytellers Therefore the chapters in this volume explore the ways in which sensitive and creative perspectives of art approach and appropriate history in Greece Through a rich collection of analytical case studies and creative reflections on Greece's past present and future this volume presents the reader with the ways a set of contemporary Greek storytellers in different genres have incorporated previously under explored or little known themes events and epochs in modern Greek history showing how the past by being interpreted and represented in the present can teach us a lot about contemporary Greek society The themes that form the point of departure for the stories told or retold cover various significant components of Greek history and culture such as ancient myths the Ottoman period the Greek War of Independence and the Greek Civil War but also less prominent or known aspects of Greek history such as the Greek Enlightenment the long and tragic history of Greek Jewry and migration to and from Greece

Praxis of Retelling Parables and Miracles Beschi Jeyaraj, 2023-02-09 A bible theological didactic is not principally reduced to learning and teaching Bible alone but rather extended to understanding and interpreting Bible in one's own religious and pedagogical context Bible didactic moreover does not circumscribe itself only to biblical knowledge in virtue of deducing some abstract and moral principles but it rather prospects to strengthen and reconstruct one's identity within the choices offered by culture and context This book aims to engage in an intercultural interpretation of the parables and the miracles of Jesus by dialoging with the culture of Tamils This comparative study subsequently proposes an alternative synchronic hermeneutic in biblical didactics replacing a deep seated diachronic model in Tamil land It also develops a model of sync curation superseding fossilised model of inculturation This book capitalises Tamils texts and narratives of masses reflected in the archives of Tamil literatures and legends in the process of theologisation Bearing on the aesthetics of parables and miracles and contextual reading of them this study brings forward the world in front of the text leaving behind the conventional exegesis of the world behind the text
