

The image shows three sculptures of human figures, likely a family (father, mother, and child), constructed from thousands of thin, dark, rectangular stone slabs stacked horizontally. The figures are positioned on a bed of dark, irregular stones. The largest figure on the left is seated on a large, smooth, light-brown rock. The middle figure is also seated on a similar rock. The smallest figure on the right is standing. The background is a plain, light-colored wall.
