

Step 7

Mascara

Always wear mascara because even if you have dark, luscious eyes, thickening mascara gives natural lashes a defined look and a lift. If you have a sparse full set, the mascara will add definition and will prevent fraying when styling and brushing mascara. There's no wrong way to apply mascara. If you want a long-lasting look, let it dry before you touch it.

When applying mascara, hold the mascara wand parallel to the floor and brush from the base of the lashes to the tips. Roll the wand to coat all segments of the lashes and push through. Repeat application to both eyes.

If you choose to curl the lashes, do so before applying mascara. Curling lashes after applying mascara can break the lashes.

The ideal mascara makes the most impact. Remove it with a cotton pad.

Step 8

Blush

Blush will apply a natural shade of blush to the apples of cheeks. Blend up toward the hairline, down toward the under-lip area.

For long-lasting results, have a smudge of long-lasting blush on top.

For an extra glow, first, a shimmer powder on the cheekbones with a fine blusher brush, or use a shimmery blusher applied with your fingers.

Do not blow off excess powder blush from your face. Small patches are helpful. If it seems too light, use only the light blusher shade to restore missing color and wash away.

For rosy or warm blush is a good option for the skin.

To add a warm cast to skin, use a blusher on areas where the sun normally hits the face—cheeks, forehead, nose, and chin.

Step 9

Lipstick

Start with clean, smooth lips.

Several lipstick shades and about four coats can be applied. Apply from the inner corner of lip toward the outer corner of the mouth. Apply a light coat of lipstick to the outer corners, which require greater application.

For a natural look of color that is a subtle wash of color, a shade of shade. The more the color, the more natural the effect.

For a dramatic look, choose light to medium shades of shades to create a dramatic look.

Step 10

Lip Liner

To achieve natural-looking definition and to bring color from lipstick to the lips, a lip liner will define the lips. There is no need to define and blend the lipstick.

To achieve a natural look, choose light to medium shades of shades to create a dramatic look.
