Body Counts The Vietnam War And Militarized Refugees:

Body Counts Yen Le Espiritu, 2014-08-23 *Body Counts The Vietnam War and Militarized Refugees* examines how the Vietnam War has continued to serve as a stage for the shoring up of American imperialist adventure and for the re-production of American and Vietnamese American identities Focusing on the politics of war memory and commemoration this book retheorizes the connections among history memory and power and refashions the fields of American studies Asian American studies and refugee studies not around the narratives of American exceptionalism immigration and transnationalism but around the crucial issues of war race and violence and the history and memories that are forged in the aftermath of war At the same time the book moves decisively away from the damage centered approach that pathologizes loss and trauma by detailing how first and second generation Vietnamese have created alternative memories and epistemologies that challenge the established public narratives of the Vietnam War and Vietnamese people Explicitly interdisciplinary *Body Counts* moves between the humanities and social sciences drawing on historical ethnographic cultural and virtual evidence in order to illuminate the places where Vietnamese refugees have managed to conjure up social public and collective remembering

Refugees, Refuge, and Human Displacement Ignacio López-Calvo, Marjorie Agosin, 2022-11-01 Every American is a descendant of either a Native American and enslaved person an immigrant or a refugee This book is devoted to the fourth category The essays in this volume will study the concept of refuge as well as historical forced displacement and statelessness trying to provide potential lasting solutions to the many problems associated with this situation This volume is not only timely but expansive as it moves from the pressing crisis of refugees to the crisis of humanity that seeks to find refuge From refugees to asylum seekers from climate change to war from historical uprootedness and displacement to today's crisis of refugeeism these topics are mobilizing humanities scholars to think about refugees with a new sense of urgency This book demonstrates how interdisciplinary cultural approaches grounded in the humanities can transform refugee conversations so often dominated by political science economics and other disciplines In doing so the collection sets up far more inclusive refugee discussions and urges humanities thinkers to respond by taking the lead in the face of environmental and sociopolitical uncertainties

Looking Back on the Vietnam War Brenda M. Boyle, Jeehyun Lim, 2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war's legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam *Looking Back on the Vietnam War* brings together scholars from a broad variety of disciplines who offer fresh insights on the war's psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global

legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why The Routledge History of Twentieth-Century United States Jerald Podair, Darren

Dochuk, 2018-05-02 The Routledge History of the Twentieth Century United States is a comprehensive introduction to the most important trends and developments in the study of modern United States history Driven by interdisciplinary scholarship the thirty four original chapters underscore the vast range of identities perspectives and tensions that contributed to the growth and contested meanings of the United States in the twentieth century The chronological and topical breadth of the collection highlights critical political and economic developments of the century while also drawing attention to relatively recent areas of research including borderlands technology and disability studies Dynamic and flexible in its possible applications The Routledge History of the Twentieth Century United States offers an exciting new resource for the study of modern American history **Ocean Passages** Erin Suzuki, 2021-03-26 Comparing and contrasting the diverse experiences

of Asian and Pacific Islander subjectivities across a shared sea **Refugee Lifeworlds** Y-Dang Troeung, 2022-08-29 Utilizing the concept of aphasia this book demonstrates how Cambodian refugee narratives resist state violence and take head on hegemonic discourses across popular and scholarly spaces that prop up colonial imperial capitalist heteropatriarchal and ableist formations of the Cold War in Cambodia **The Vietnam War in the Pacific World** Brian Cuddy, Fredrik

Logevall, 2022-10-05 Fifty years since the signing of the Paris Peace Accords signaled the final withdrawal of U S troops from Vietnam the war s mark on the Pacific world remains The essays gathered here offer an essential postcolonial interpretation of a struggle rooted not only in Indochinese history but also in the wider Asia Pacific region Extending the Vietnam War s historiography away from a singular focus on American policies and experiences and toward fundamental regional dynamics the book reveals a truly global struggle that made the Pacific world what it is today Contributors include David L Anderson Mattias Fibiger Zach Fredman Marc Jason Gilbert Alice S Kim Mark Atwood Lawrence Jason Lim Jana K Lipman Greg Lockhart S R Joey Long Christopher Lovins Mia Martin Hobbs Boi Huyen Ngo Wen Qing Ngoei Nathalie Huynh Chau Nguyen Noriko Shiratori Lisa Tran A Gabrielle Westcott **The Routledge Handbook of Refugee Narratives** Evyn Lê Espiritu

Gandhi, Vinh Nguyen, 2023-02-17 This Handbook presents a transnational and interdisciplinary study of refugee narratives broadly defined Interrogating who can be considered a refugee and what constitutes a narrative the thirty eight chapters included in this collection encompass a range of forcibly displaced subjects a mix of geographical and historical contexts and a variety of storytelling modalities Analyzing novels poetry memoirs comics films photography music social media data graffiti letters reports eco design video games archival remnants and ethnography the individual chapters counter dominant

representations of refugees as voiceless victims Addressing key characteristics and thematics of refugee narratives this Handbook examines how refugee cultural productions are shaped by and in turn shape socio political landscapes It will be of interest to researchers teachers students and practitioners committed to engaging refugee narratives in the contemporary moment The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Refugee States Vinh Nguyen,Thy Phu,2021-06-29 Exploring refuge and refugee as concepts that shape Canadian nation building both within and beyond national borders Refugee States takes an interdisciplinary and critical approach to describing how refugees articulate their relation to and defiance of official discourses Through close examinations of refugee movements contexts and subjectivities this collection reveals how Canada has relied upon the rejection and inclusion of refugees as a crucial means of statecraft Bringing together renowned and emerging scholars from multiple disciplines Nguyen and Phu illuminate the historical political and cultural conditions that produce refugees as well as the narrative of humanitarian benevolence that persists nationally and internationally Highlighting landmark cases the editors and contributors together develop critical refugee studies as a framework for understanding nuancing and critiquing the production of Canadian humanitarian exceptionalism the international image and discourse of Canada as a liberal tolerant and welcoming haven for people fleeing oppression persecution and unfreedom In doing so Refugee States offers alternative modes of understanding past and present refugee passages to and within Canada and brings to light the many ways in which refugee subjects navigate displacement migration and resettlement

Institutional Change for Museums Marianna Pegno,Kantara Souffrant,2024-08-14 Institutional Change for Museums A Practical Guide to Creating Polyvocal Spaces demonstrates how museums can enact institutional change by implementing systematic and structural approaches to anti racist anti colonial and anti elitist practices This practical guide brings together museum and heritage experts artists organizers and cultural workers to present thoughtful polyvocal critiques and solutions for conceptualizing museums of the future These authors embrace hybrid identities complicate concepts of nationalism straddle disciplines and extend the concept function and literal place and definition of the museum The book shows that museums must cultivate practices that center people interrogate colonial legacies take new approaches to curatorial ethics and caring for objects and imagine new strategies for asserting the relevance of museums to create institutional change This resource challenges traditional approaches to museology by offering scholarly research and case studies alongside personal narratives and speculative fiction Institutional Change for Museums will be an invaluable resource for museum professionals and cultural workers including curators educators and researchers It will also be beneficial to those studying or researching in Museum and Heritage Studies Cultural Studies Feminist Studies Visual Culture Social Justice and Postcolonial Studies
