Explorer's Guide Santa Barbara & California's Central Coast: A Great Destination Donna Wares, 2011-01-03 Consistently rated the best guides to the regions covered National Geographic Traveler From the region's laid back beach towns to the jumble of Monterey's Cannery Row California's Central Coast offers the most spectacular triptych of landscapes surf forests and picturesque small towns in the West Includes coverage of the region's vineyards culinary gems and coastal hideaways

Wise Guy Guy Kawasaki, 2019-02-26 Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them Guy Kawasaki has been a fixture in the tech world since he was part of Apple's original Macintosh team in the 1980s He's widely respected

as a source of wisdom about entrepreneurship venture capital marketing and business evangelism which he's shared in bestselling books such as *The Art of the Start* and *Enchantment*. But before all that he was just a middle class kid in Hawaii a grandson of Japanese immigrants who loved football and got a C in 9th grade English. *Wise Guy* his most personal book is about his surprising journey. It's not a traditional memoir but a series of vignettes. He toyed with calling it *Miso Soup for the Soul* because these stories like those in the *Chicken Soup* series reflect a wide range of experiences that have enlightened and inspired him. For instance you'll follow Guy as he gets his first real job in the jewelry business which turned out to be surprisingly useful training for the tech world. Disparages one of Apple's potential partners in front of that company's CEO at the sneaky instigation of Steve Jobs. Blows up his Apple career with a single sentence after Jobs withholds a pre-release copy of the Think Different ad campaign. That's okay Steve I don't trust you either. Reevaluates his self-importance after being mistaken for Jackie Chan by four young women. Takes up surfing at age 62 which teaches him that you can discover a new passion at any age but younger is easier. Guy covers everything from moral values to business skills to parenting. As he writes I hope my stories help you live a more joyous productive and meaningful life. If *Wise Guy* succeeds at this then that's the best story of all.

Responsible Business Oliver Laasch, Roger Conaway, 2017-09-08. As sustainable development becomes an increasingly important strategic issue for all organizations there is a growing need for management and executive education to adapt to this new reality. This textbook provides a theoretically sound and highly relevant introduction to the topic of socially and environmentally responsible business. The authors take a competence-based approach to responsible management education. The book aims to go beyond the traditional domains of teaching and towards the facilitation of learning across key competences. Each chapter in this book has a section dedicated to exercises that cover five core competences: know, think, do, relate, be to enable self-directed transformative learning. Drawing from the classic background theories such as corporate sustainability, business ethics and corporate social responsibility these concepts are applied to the most up-to-date practices. The book covers an international perspective featuring cases from countries all around the world. It has a strong theoretical basis and fully integrates the topics of sustainability, responsibility and ethics. The book includes a wide variety of tools for change at individual, company and systemic levels. Published with the Principles for Responsible Management Education (PRME) a United Nations Global Compact supported initiative this is both an essential resource for business students at all levels and a self-study handbook for executives.

Smartphone-Applikationen im Museumsbereich, *InfoWorld*, 1986-02-10. *InfoWorld* is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. *InfoWorld* also celebrates people, companies and projects.
