Collier's, 1914 **A Zulu-English Dictionary with Notes on Pronunciation** Alfred T. Bryant, 1905 *Dictionary of the Modern United States Military* S.F. Tomajczyk, 2008-02-11 Warspeak the language of the military can be for many civilians and for members of differing services an unintelligible hodgepodge of acronyms slang terms and field operation expressions Few laypersons may know that the Five F s is a derogatory expression though Army Navy Marine Air Force Coast Guard and others know or can infer that chairborn commandos are administrative and support personnel The more than 15 000 entries in this comprehensive dictionary provide an inside look at the United States military Weapons systems governmental agencies electronic warfare medical terms military infrastructure communications satellites and intelligence systems are among the topics covered in depth Also detailed are the acronyms and slang terms used by the soldiers in the field The work provides numerous cross references for ease of use along with a bibliography of over 2 200 sources **The Good Guys Wear Blue** Paul Browning, 2007 **Neverlight** Donald Pfarrer, 1982 **God Moves** Neil S. Davies, 2013-06-12 Using the backdrop of such far flung places as the west coast of South Africa the Highlands of Scotland and the Eiffel Tower the author introduces the reader to three people who entered and exited his life over twelve years a gigantic Zulu he befriended during military training a six year old African war orphan he sponsored in memory of that friend and a twenty four year old woman he met in Scotland Follow the gripping and moving story of one mans search for God as well as his personal reflections on finding answers to the mysterious Some say God moves in mysterious ways but what the author reveals in this book is that God movesperiod *Political Risk* Condoleezza Rice, Amy B. Zegart, 2018-05-01 From New York Times bestselling author and former U S secretary of state Condoleezza Rice and Stanford University professor Amy B Zegart comes an examination of the rapidly evolving state of political risk and how to navigate it The world is changing fast Political risk the probability that a political action could significantly impact a company s business is affecting more businesses in more ways than ever before A generation ago political risk mostly involved a handful of industries dealing with governments in a few frontier markets Today political risk stems from a widening array of actors including Twitter users local officials activists terrorists hackers and more The very institutions and laws that were supposed to reduce business uncertainty and risk are often having the opposite effect In today s globalized world there are no safe bets **POLITICAL RISK** investigates and analyzes this evolving landscape what businesses can do to navigate it and what all of us can learn about how to better understand and grapple with these rapidly changing global political dynamics Drawing on lessons from the successes and failures of companies across multiple industries as well as examples from aircraft carrier operations NASA missions and other unusual places **POLITICAL RISK** offers a first of its kind framework that can be deployed in any organization from startups to Fortune 500 companies Organizations that take a serious systematic approach to political risk management are likely to be surprised less often and recover better Companies that don t get these basics right are more likely to get
