development this book is filled with practical assessment and instructional ideas for teachers of pre K through grade 3 Engaging vignettes show how everyday conversations and activities offer rich opportunities both for evaluating children s current level of knowledge and for helping them progress toward more sophisticated and rewarding interactions with reading and writing Throughout the book highlights ways to work effectively with English language learners and their families a theme that is the exclusive focus of two chapters Other timely topics covered include creative uses of technology and ways to incorporate popular culture into the classroom Over two dozen reproducible assessment tools and handouts enhance the utility of this volume as an instructional resource professional development tool or graduate level text *Media Space 20+ Years of Mediated Life* Steve Harrison,2009-06-04 *Media Space 20 Years of Mediated Life* is loosely divided into three different but interconnected approaches to media space research Each part opens with an introduction that lays out how readers can best approach the book and provides a basic guide to the theory and research literature technological developments and other notable events to help contextualize the book The social approach uses the rhetoric and methods familiar to a CSCW audience but moves into actual situations that involve close working bonds broken trust shared joy community building interpersonal tension anxiety etc The section on spatial approaches guides the reader through an intellectual landscape of spatiality the communications part is a field guide to sense making in the as lived mediated condition demonstrating that media space sense making combines an understanding of in the moment alongside sense made of existence in the world and reflecting upon it **The Official Guide to Bionicle** Greg Farshtey,2004-11-25 Enter the world of Bionicle where the heroic Toa battle the mighty Makuta to decide the fate of Mata Nui Bionicle Toa Bohrok Rahkshi Matoran Turuga and the Makuta the fantastic island of Mata Nui from the caves of Onu Koro to the giant temple of Kini Nui the Bionicle saga filled with mystery action adventure and triumph plus secret Bionicle information **Deconstructing LEGO** Jonathan Rey Lee,2020-09-08 This book investigates a paradox of creative yet scripted play how LEGO invites players to build freely with and within its highly structured ideologically laden toy system First this book considers theories and methods for deconstructing LEGO as a medium of bricolage the creative reassembly of already significant elements Then it pieces together readings of numerous LEGO sets advertisements videogames films and other media that show how LEGO constructs five ideologies of play construction play dramatic play digital play transmedia play and attachment play From suburban traffic patterns to architectural croissants from feminized mini doll bodies to toys to life stories from virtual construction to playful fan creations this book explores how the LEGO medium conveys ideological messages not by transmitting clear statements but by providing implicit instructions for how to reassemble meanings it had all along How Tough Could It Be? Austin Murphy,2014-02-04 A father takes a break from every guy s dream gig covering football and the odd swimsuit shoot for Sports Illustrated to give it a go as Mr Mom in this hilarious and heartfelt book After nineteen years as a writer for Sports Illustrated Austin Murphy should have had it made Instead he d had it with measuring his life by hotel

rooms and Heisman stories with members of his church assuming that his wife Laura was a single mother With each missed birthday and recital he became more convinced that he was missing out on his kids lives So he decided to trade in his current job for a new one Laura s Once an ambitious young journalist Laura s career had slowed when she went on the mommy track Now with a wife of her own she would be able to write full time while he could be present for more Kodak moments Alas the man charged with preparing three nutritious meals a day had never mastered his own outdoor grill Sublimely ignorant of everything from grocery shopping to house cleaning to the need to trim his children s nails more than say semi annually Murphy embarked on his journey much as Shackleton took on the Antarctic spectacularly ill equipped to survive it Between the lice checks the spring break trip to Las Vegas and the chairmanship of the Lower Brookside Elementary Variety Show there were bound to be casualties Lively poignant and laugh out loud funny How Tough Could It Be is the story of one man s decision to reorder his life around things that really matter and of his adventures and misadventures along the way

Payoff Dan Ariely, 2016-11-15 Bestselling author Dan Ariely reveals fascinating new insights into motivation showing that the subject is far more complex than we ever imagined Every day we work hard to motivate ourselves the people we live with the people who work for and do business with us In this way much of what we do can be defined as being motivators From the boardroom to the living room our role as motivators is complex and the more we try to motivate partners and children friends and coworkers the clearer it becomes that the story of motivation is far more intricate and fascinating than we ve assumed Payoff investigates the true nature of motivation our partial blindness to the way it works and how we can bridge this gap With studies that range from Intel to a kindergarten classroom Ariely digs deep to find the root of motivation how it works and how we can use this knowledge to approach important choices in our own lives Along the way he explores intriguing questions such as Can giving employees bonuses harm productivity Why is trust so crucial for successful motivation What are our misconceptions about how to value our work How does your sense of your mortality impact your motivation

The Achilles Effect Crystal Smith, 2011-02-07 A discussion of pop culture messages about masculinity their impact on boys and the benefits of introducing more gender balance to boys lives When most people think about gender stereotypes and children they envision princesses dolls and pink clothing Few consider the warriors muscle bound action figures and T shirts covered in graffiti and skulls that are assumed to signify masculinity The pop culture environment that surrounds boys introduces them to a world where traditionally masculine traits like toughness aggression and stoicism are highly esteemed and where female influence is all but absent The Achilles Effect explores gender bias in the entertainment aimed at primary school boys focusing on the dominant themes in childrens TV shows toy advertising movies and books gender stereotypes of both sexes male dominance negative portrayals of fathers breaking of the mother son bond and the devaluing of femininity It examines the gender messages sent by pop culture provides strategies for countering these messages and encourages discussion of a vitally important issue that is rarely talked about boys and their often skewed

understanding of gender The Achilles Effect is a guide for parents educators and students who want to learn more about male and female stereotypes their continued strong presence in kids pop culture and their effect on young boys
