The Sound and the Fury William Faulkner, 1992-09-05 Selected by the Modern Library as one of the 100 best novels of all time One of The Atlantic's Great American Novels of the Past 100 Years From the Modern Library's new set of beautifully repackaged hardcover classics by William Faulkner also available are Snopes As I Lay Dying Light in August Absalom Absalom and Selected Short Stories The Sound and the Fury first published in 1929 is perhaps William Faulkner's greatest book It was immediately praised for its innovative narrative technique and comparisons were made with Joyce and Dostoyevsky but it did not receive popular acclaim until the late forties shortly before Faulkner received the Nobel Prize for Literature The novel reveals the story of the disintegration of the Compson family doomed inhabitants of Faulkner's mythical Yoknapatawpha County through the interior monologues of the idiot Benjy and his brothers Quentin and Jason Featuring a new Foreword by Marilynne Robinson this edition follows the text corrected in 1984 by Faulkner expert Noel Polk and corresponds as closely as possible to the author's original intentions Included also is the Appendix that Faulkner wrote for The Portable Faulkner in 1946 which he called the key to the whole book

The Sound and the Fury William Faulkner, 2025-01-01T09:01:00Z The Sound and the Fury is one of William Faulkner's most celebrated novels and a landmark of American literature Famous for its non chronological structure and experimental style the novel focuses on the once prominent Compson family descendants of planter aristocrats who have declined in both social standing and material wealth As white landowners in the fictional county of Yoknapatawpha in Mississippi they continue to employ an African American family to serve them Each of the Compson parents has withdrawn from responsibility for their children so the matriarch of the servant family Dilsey effectively raises their three sons and daughter Each of the four parts of the novel is told from a different point of view with each of the first three sections narrated by a different Compson son In the first chapter set on the day before Easter Sunday in 1928 the narrator is the mentally disabled thirty three year old Benjy The second chapter enters the mind of troubled Harvard student Quentin who is finishing his year at the university The third chapter set on Good Friday 1928 is narrated by the callous and

mercenary brother Jason who now works as a clerk at a farming supply store and finally on Easter Sunday 1928 the perspective is that of an omniscient narrator though the main character of the section emerges as Dilsey Central to each of the sons sections is their sister Caddy whose rebellion as a young woman brings pain upon Benjy profoundly disturbs Quentin enrages Jason and accelerates the family's already precipitous decline The book is noted for its nonlinearity not only in the order of its four narratives but in the sequences of events recorded within the first two of them Faulkner makes heavy use of a stream of consciousness style to relate Benjy's and Quentin's memories and thoughts which jump around temporally Non standard italics and punctuation contribute to the effect The influence of James Joyce upon the first two narratives was immediately identified by contemporary critics though Edward Crickmay labeled the book an even tougher proposition for the general novel reader than *Ulysses* Despite this compliment its initial reception was mixed in general it was described as inaccessible even unreadable At the same time it was acknowledged for its innovative development of the stream of consciousness technique and for its attentive depiction of the postbellum American South in particular the decay of its formerly slavery based aristocracy and the value system of that class The Sound and the Fury was Faulkner's fourth novel written after a lengthy struggle to have his third novel published He later wrote that the novel arose from a single image that of the character Caddy climbing a tree as a small child and that the entirety of the story is present in the first narrative with the following three having been written to clarify it In 1945 Faulkner wrote an appendix that both explained and extended the novel describing the fates of some of the characters while quickly seen to introduce plot inconsistencies it's still often reprinted with the novel The Compsons tale full of sound and fury both illustrates a particular historical context and explores more widely relevant themes The novel's title taken from a famous speech in Shakespeare's *Macbeth* points to a central concern with time The book depicts the march of change in the mores of the American South over the first three decades of the twentieth century but also the possibility not limited to that setting of a family's disintegration over generations and the consequences of various distinct responses notably despair rage flight and resignation to rotten domestic and social environments A tragedy of idiocy memory and the dusty death of an era The Sound and the Fury signified nothing less than a turning point in American literary history and modernism This book is part of the Standard Ebooks project which produces free public domain ebooks
