Apocalypticism Prophecy And Magic In Early Christianity Collected Essays:

Apocalypticism, Prophecy and Magic in Early Christianity David Edward Aune, 2006 Collection of texts published previously

Apocalypticism, Prophecy and Magic in Early Christianity David E. Aune, 2019 This book contains a collection of twenty of David E Aune's essays on the subjects of apocalypticism the Apocalypse of John early Christian prophecy and early Christian magic Several essays on the Apocalypse of John explore contextual relationships of the Apocalypse to apocalyptic literature from Qumran Palestinian Jewish apocalyptic Roman imperial court ceremonial Greco Roman revelatory magic and the social setting of the book Other essays center on aspects of the content and interpretation of the Apocalypse itself by investigating such issues as discipleship narrative Christology genre the problem of God and time an intertextual reading of the book the form and function of the proclamations to the seven churches Rev 2 3 and interpretations of Rev 5 and 17 Essays on early Christian prophecy deal with charismatic exegesis in early Judaism and early Christianity the relationship between Christian prophecy and the messianic status of Jesus and the prophetic features found in the Odes of Solomon

Peter - Apocalyptic Seer John R. Markley, 2013 In this study John R Markley argues that the generic portrayal of apocalyptic seers which he reconstructs through an analysis of fourteen Jewish and Christian apocalypses shaped Matthew's portrayal of Peter This influence of the apocalypse genre has come to bear on the Matthean Peter indirectly through Matthew's appropriation of Markan and Q source material and directly through Matthew's redaction and special material This suggests that Matthew has portrayed Peter in part as an apocalyptic seer who was an exclusive recipient of mysteries about Jesus and mysteries mediated by Jesus In other words Matthew primarily conceived of Peter as a recipient of revelation analogously to the venerated seers portrayed in the apocalypses of the Second Temple period Markley states that these conclusions require substantial revision to the predominant scholarly estimations of the Matthean Peter which mainly hold him to be a typical or exemplary disciple

Apocalypticism in the Bible and Its World Frederick J. Murphy, 2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013 Apocalypticism is not a peripheral topic in biblical studies It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple It therefore constituted the worldview of Jesus Paul and the earliest Christians and it is the context in which the New Testament books were written In this volume Frederick Murphy defines apocalypticism while discussing its origins where it comes into play in the Hebrew Bible and how it relates to Jesus and the New Testament

Early Christian Literature and Intertextuality Craig A. Evans, H. Daniel Zacharias, 2009-04-09 Scholarly interest in intertextuality remains as keen as ever Armed with new questions interpreters seek to understand better the function of older scripture in later scripture The essays assembled in the present collection address these questions These essays treat pre Christian texts as well as Christian texts that make use of older sacred tradition They analyze the respective uses of scripture in diverse Jewish and Christian traditions Some of these

studies are concerned with discreet bodies of writings such as the Dead Sea Scrolls while others are concerned with versions of scriptures such as the Hebrew or Old Greek and text critical issues Other studies are concerned with how scripture is interpreted as part of apocalyptic and eschatology Early Christian Literature and Intertextuality includes essays that explore the use of Old Testament scripture in the Gospels and Acts Other studies examine the apostle Paul s interpretation of scripture in his letters while other studies look at non Pauline writings and their utilization of scripture Some of the studies in this collection show how older scripture clarifies important points of teaching or resolves social conflict Law conversion anthropology paradise and Messianism are among the themes treated in these studies themes rooted in important ways in older sacred tradition The collection concludes with studies on two important Christian interpreters Syriac speaking Aphrahat in the east and Latin speaking Augustine in the west Part of the LNTS sub series Studies in Scripture in Early Judaism and Christianity SSEJC volume 14

Holy War Discourses in 1QM and John's Apocalypse David Chapman Harris,2024-02-28 This study offers an in depth examination of the Qumran War Scroll 1QM alongside John s Apocalypse which takes the concept of Holy War into consideration It delineates between ancient Jewish and nascent Christian apocalyptic and theological sensibilities and breaks the conventional barrier between Qumran studies and New Testamen

A Linguistic Approach to Revelation 19:11-20:6 and the Millennium Binding of Satan Alan E. Kurschner,2022-08-22 This study argues that the establishment of the millennium binding of Satan and the vindication of the saints in Revelation 20 1 6 are cohesively linked with Jesus s victorious battle in Revelation 19 11 21 The major implication of this analysis views both these events as consequent effects of Christ s victory at the eschatological battle Applying systemic functional linguistics and discourse analysis of cohesion this study advances critical scholarship on the Book of Revelation by offering the first fully sustained answer to this frequently debated question regarding Satan s binding from a modern linguistic approach

Lions, Locusts, and the Lamb Michael Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation

Hebrews, the General Letters, and Revelation Charles B. Puskas,2016-10-28 Most New

Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation. The focus in these introductions is often on the four Gospels and the Letters of Paul. As important as these books are, one should not neglect with only a brief survey the treatment of Hebrews, the General Letters, and the book of Revelation. The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues. Nevertheless, these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination. My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation: When and why was each book written? By whom and to whom was each book written? What are some special features of each book? How soon or late was each book included in the NT collection? Answers to many of these questions are tentative. The assured results of scholarship are in continual need of reevaluation. Since the 1980s a host of diverse studies have emerged, and I have endeavored to include them when they are relevant to the discussion.

The Cambridge Companion to Apocalyptic Literature Colin McAllister, 2020-03-26. Apocalyptic literature has addressed human concerns for over two millennia. This volume surveys the source texts, their reception, and relevance.
