Apostolic Church of Pentecost of Canada, Incorporated, 1997 *Constitution and Bylaws* Library Association (Portland, Or.), 1869 **Assyrians of Eastern Massachusetts** Sargon Donabed, Ninos Donabed, 2006 The widespread persecution of the Christian Assyrians by neighboring populations in the Ottoman Empire led to their immigration to the United States Beginning at the end of the 19th century with an influx during the Great War Assyrians settled mostly in eastern Massachusetts finding an abundance of work along its ports and among its large factory base Concerned with the welfare of their community these immigrants established a multitude of cultural social and political institutions to help promote awareness of Assyria The establishment of St Mary s Assyrian Apostolic Church the first of its kind outside of the Middle East prompted the solidarity of Assyrians in Massachusetts and became a model for later settlements of Assyrians in the United States Through family portraits and documents from both religious and secular institutions Assyrians of Eastern Massachusetts addresses the adjustment of this community in the United States **Pentecostal and Holiness Statements on War and Peace** Jay Beaman, Brian K. Pipkin, 2013-08-30 Many Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing To rectify this loss we have catalogued Holiness and Pentecostal denominational statements on war and peace Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements While their early doctrines opposed killing many named in this book are now widely considered to be stalwarts of the Religious Right or at least staunch supporters of Christian participation in war Our hope is that this book will frame the official position of early Pentecostals on war and peace and encourage Pentecostals today to reflect on their antiwar heritage Drill Instructor for the Lord Tony Jones, 2017-07-24 I wrote this book to encourage people to live their dreams and let God lead them in his way of life and I also want to promote stewardship in the church It is a story of how God changed my life and how I made it through the storms of life with the help of God I always remembered that it was not my will but Gods will He helped me accomplish anything I needed throughout my journey and he can do the same for you *House Rules and Creed for the Members of the New Apostolic Church* New Apostolic Church International, **Constitution** George E. Kouri, 2016-08-01 The Communion of Apostolic Churches is a global communion of apostles prophets evangelists pastors and teachers together with the ministries and churches they represent It is a worldwide network of networks or ministry spheres a communion of diverse apostolic jurisdictions of ministers and churches joined together in the Lord Jesus through mutual recognition and voluntary submission for consultation cooperation and accountability of the apostles and elders the ruling pastors or bishops who are

the spiritual heads or fathers of these governmental spheres The term apostolic is used by the CAC simply as an adjective to refer to everything that pertains to Jesus the Christ the Chief Apostle the Apostles of the Lamb and the first ascension gift apostles of the Lord Jesus which has been providentially preserved for God s people in the Canon of the New Testament While Church councils and creeds have at times been helpful in dealing with various issues and adversaries throughout Church history councils have also erred therefore we understand the Canon of both the Old and New Testament Scriptures to be the only true measure of faith and practice for the Church of Jesus Christ We further believe that the message of the Old Testament patriarchs and prophets has been unveiled or fulfilled in Jesus Christ His Kingdom and His Church and that the Canon of the New Testament contains the full revelation of these divine mysteries that were entrusted by the Lord Jesus to His original apostles Thus the CAC is committed to the recovery and restoration of the faith and practice of those first apostles who laid the foundations in the first century for true Apostolic Christianity and for the Apostolic Church
