50 Fantastic Ideas Inspired by Famous Artists Judith Harries, 2019-07-11 _____ The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0-5. Each activity features step by step guidance, a list of resources and a detailed explanation of the skills children will learn. Creative, simple and highly effective, this series is a must have for every Early Years setting. 50 Fantastic Ideas Inspired by Famous Artists uses well known art as a visual inspiration to develop expressive art and design skills in the Early Years. It is much easier now to access art online and to bring inspirational pieces into a setting without having to buy postcards or visit an art gallery. Drawing on these readily available online sources, Judith Harries presents 50 ideas featuring a range of diverse artists from Lubaina Himid and Friedensreich Hundertwasser to Mary Delany and Picasso and famous art including pop and street art, sculpture and portraiture. Using art supplies easily found in and outside the classroom such as paints, clay, pipe cleaners and natural resources like leaves and flowers, the interactive activities found in this book are ideal for inspiring creativity and fun at the same time.

The Little Book of Stories from Around the World Marianne Sargent, 2015-06-04 The stories featured in this book come from all over the world. The Practice Guidance for the Early Years Foundation Stage sets out the requirement that children be provided with positive images that challenge children's thinking and help them embrace differences in gender, ethnicity, language, religion, culture. Stories are a powerful medium that engage and envelop young children, helping them to enter unfamiliar worlds and begin to empathise with characters from different backgrounds. This book provides a range of stories through which young children can explore and learn about other cultures. Each activity page will include the story, adult led and independent activity ideas to follow up the story, related songs, poems and rhymes. A list of additional stories, information books and websites. Relevant links with the EYFS Areas of Learning and Development.

Crafting Identity Sandra Alföldy, 2005 By contrasting American experience with the Canadian context which includes a unique Quebec identity and a Native dimension, Sandra Alföldy argues that the development of organizations, advanced education for craftspeople and exhibition and promotional opportunities have contributed to the distinct evolution of professional craft in Canada over the past forty years. Alföldy focuses on 1964-74 and the debates over distinctions between professional self-taught and amateur craftspeople and between one of a kind and traditional craft objects. She deals extensively with key people and events including American philanthropist Aileen Osborn Webb and Canadian philanthropist Joan Chalmers, the foundation of the World Crafts Council 1964 and the Canadian Crafts Council 1974, the Canadian Fine Crafts exhibition at Expo 67 and the In Praise of Hands exhibition of 1974. Drawing upon a wealth of previously unexploited materials, this richly documented survey includes descriptions and illustrations of significant works and identifies the challenges that lie ahead for professional crafts in Canada.
