

The background of the cover features a composite image. On the left, there is a vibrant satellite photograph of Earth's oceans, showing swirling blue and white patterns. On the right, a dark, semi-transparent globe with a white grid of latitude and longitude lines is superimposed over the satellite image. The globe is slightly offset, creating a sense of depth and global perspective. The overall color palette is dominated by blues and blacks, with a bright light source creating a lens flare effect near the top center where the globe and satellite image meet.
