Atom-Smashing Power of Mind (Original Classic Edition) Charles Fillmore, 2019-07-21 Charles Fillmore a New Thought visionary demonstrates that your thoughts are the most powerful force in the universe and the awesome energy unleashed by the splitting of the atom is synonymous with the mental power inherent in the lives of every individual **The**

Atom-Smashing Power of Your Mind Charles Fillmore, 2019-12-18 A great many passages in this book testify to Charles Fillmore's persistent interest in what is popularly called atomic energy and the promise held out by its development of a better world for mankind From another standpoint Charles Fillmore's mind was simply fascinated by the idea of the atom this infinitesimal particle of substance and the enormous energy locked up in it At times he thought of it as the most perfect representation in the manifest world of that divine mental or spiritual energy which pervades all things and which when properly expressed through the minds of His children serves so greatly to glorify God At other times he thought of it as the very essence of this mental or spiritual energy Spirit mind itself The reader will find each one of these standpoints set forth over and over perhaps vaguely and mystically at times but ever testifying to the alertness and vitality of Charles Fillmore's mind and his unflagging interest in everything in his world Contents The Atomic Age The Restorative Power of the Spirit Spiritual Obedience I AM or Superconsciousness The Day of Judgment Thou Shalt Decree a Thing Thinking in the Fourth Dimension Is This God's World Demonstrating Christ Thought by Thought Truth Radiates Light The Only Mind Contact with the Christ Mind Metaphysics of Shakespeare The Body Faith Precipitations The Seed Is the Word The Resurrecting Power of the Word Transfiguration The End of the Age *Atom-Smashing Power of Mind* Charles Fillmore, 2012-10-07 Mind is the

storehouse of ideas Man draws all his ideas from this omnipresent storehouse Every man who accomplishes things sees first in his mind what he wishes to do He puts away all doubt It makes no difference how small or how large the thing you want to do may be if you have an unlimited confidence in your ability to do it you will do it Scientists have invented a machine that records the forces of thought Every thought expressed by the mind radiates an energy as it passes through the brain cells and this machine measures the force of these radiations When we awake to the fact that every breath we draw is releasing this all potent electronic energy and it is shaping our lives for good or ill according to our faith then we shall begin to search for the law that will guide us aright in the use of power Let's discover the secrets to use our mind to attract abundance into our life **Atom- Smashing Power of Mind (Condensed Classics)** Charles Fillmore, Mitch Horowitz, 2019-04-10 Your

Atoms Smashing Power of Mind Hloniphile Dube,2015-12-30 I wrote this book Atoms Smashing Power of Mind because I feel like the next future leaders of this country young people are dying Theyre dying because of being ignorant and because they are too afraid to step up Theyre ignorant about their lives and they tend to give up easily on things that are very important and very beneficial for their future purposes and focus on whatever that will destroy their paths and they care too much about peoples negative opinions and discriminations People will always bark and thats one thing we should keep on reminding ourselves and that shouldnt stop one from doing certain things And again theyre too afraid to take an action or

actions that would benefit their future purposes As a result our country might end up having leaders from other continents or from other countries because we cant simply take good care of our country By achieving youre not only doing it for yourself but youre doing it for the country because that 1 per cent of change youve made into your life does count Those who have done economics will understand me better Let us work hard and hard to uplift our careers our lives ourselves and the economy of our country and above all be daring to be strong and willing to take an action *Atom-smashing Power of Mind* Charles Fillmore,1951 **Infinite Mind Power (Condensed Classics)** Joseph Murphy,Charles Fillmore,Robert Collier,2019-07-21 UNLEASH THE ENERGY WITHIN Infinite Mind Power is a powerful three book collection of life changing Condensed Classics that unlock the key to your existence so you can discover your true potential You will sense the greater power within when Joseph Murphy in his masterwork of higher living *The Power of Your Subconscious Mind* shows you how to harness your subconscious for achievement wellness and success Charles Fillmore s *Atom Smashing Power of Mind* equates the awesome energy unleashed by the splitting of the atom to the mental power inherent in every individual Finally discover the hidden meaning behind humanity s most enduring myths parables and religious texts in Robert Collier s *The Secret of the Ages* so that you too can wield the power of creation through your mental images Abridged and introduced by PEN Award winning historian Mitch Horowitz these exquisitely brief and faithful condensations will mark a true turning point in your life
