

**I- CHECKLIST OF LEARNING OBJECTIVES:**

After mastering this chapter, you should be able to

1. indicate why George Washington was pivotal to inaugurating the new federal government
2. describe the various means Alexander Hamilton used to put the federal government on a sound financial footing
3. explain how the conflict over Hamilton's policies led to the emergence of the first political parties
4. describe the polarizing effects of the French Revolution on American foreign policy and politics from 1790 to 1800
5. explain why Washington negotiated the conciliatory Jay's Treaty with the British and why it provoked Jeffersonian outrage
6. describe the causes of the undeclared war with France and explain Adams's decision to move toward peace rather than declare war
7. describe the poisonous political atmosphere that produced the Alien and Sedition Acts and the Kentucky and Virginia resolutions
8. describe the contrasting membership and principles of the Hamiltonian Federalists and the Jeffersonian Republicans

**II- KEY TERM TO IDENTIFY- get the definition from the glossary in the back of the textbook – The American Pageant!!!**

|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1- Alexander Hamilton - part of cabinet, made the bank system, secretary of treasury                                                                                                                                                                                          | 5- John Jay - First Supreme Court Chief Justice who was sent to convince Britain to stop attacking them on the ocean. He made a treaty to stop this but it was horrible because it wasn't specific and didn't stop the British from seizing American merchant ships. However, this treaty kept Washington's neutrality. |
| 2- Federalists - Those who supported a federal government.                                                                                                                                                                                                                    | 6- Citizen Genet - Was sent to America by the French to convince Washington to participate in the war. To convince the public to help the French. He was taken later to Washington to be told to shut up.                                                                                                               |
| 3- Thomas Jefferson - Secretary of State and leader of Anti-Federalists, believed the bank was an infringement of state rights, part of cabinet                                                                                                                               | 7- John Adams - 2nd President. 1st Federalist. His presidency is marked and doomed by British attacks because he refused to declare war and this cost him political                                                                                                                                                     |
| 4- Jefferson-Republicans (Democratic – Republicans) - Party based on opposing national banks, supports more of an agricultural system than industrial system. More into state rights than having a strong central government. Leaders are Thomas Jefferson and James Madison. |                                                                                                                                                                                                                                                                                                                         |
