**A National Party No More** Zell Miller, 2003 The Democratic senator discusses issues and values he recommends the Democratic Party must embrace to make the party relevant for the American people **America Right Or Wrong** Anatol Lieven, 2012-09-27 This examination of the American national character provides a sobering look at the course foreign policy has taken since 9 11 revealing how the combination of two contradictory brands of nationalism have undermined American security and the war against terrorism Publisher s description **America Right or Wrong : An Anatomy of American Nationalism** Anatol Lieven Senior Associate for Foreign and Security Policy Carnegie Endowment for International Peace, 2004-10-15 America keeps a fine house Anatol Lieven writes but in its cellar there lives a demon whose name is nationalism In this controversial critique of America s role in the world Lieven contends that U S foreign policy since 9 11 has been shaped by the special character of our national identity which embraces two contradictory features One The American Creed is a civic nationalism which espouses liberty democracy and the rule of law It is our greatest legacy to the world But our almost religious belief in the Creed creates a tendency toward a dangerously messianic element in American nationalism the desire to extend American values and American democracy to the whole world irrespective of the needs and desires of others The other feature populist or what is sometimes called Jacksonian nationalism has its roots in an aggrieved embittered and defensive White America centered largely in the American South Where the Creed is optimistic and triumphalist Jacksonian nationalism is fed by a profound pessimism and a sense of personal social religious and sectional defeat Lieven examines how these two antithetical impulses have played out in recent US policy especially in the Middle East and in the nature of U S support for Israel He suggests that in this region the uneasy combination of policies based on two contradictory traditions have gravely undermined U S credibility and complicated the war against terrorism It has never been more vital that Americans understand our national character This hard hitting critique directs a spotlight on the American political soul and on the curious mixture of chauvinism and idealism that has driven the Bush administration *449 Stupid Things Democrats Have Said* Ted Rueter, 2009-01-01 Am I different Yeah Deep down you know you want to wear wider bottoms you re just not secure enough Do I do my hair with a weed whacker I admit it Rep James Traficant D Ohio 1985 2002 Supposedly some of our brightest speakers politicians say some pretty stupid things Members of America s major political parties put out a roaring stream of downright dumb comments pronouncements and observations For proof look no further than Ted Rueter s *449 Stupid Things Democrats Have Said* In *449 Stupid Things Democrats Have Said* Al Gore said I would have kissed Tipper longer at the convention Hillary Rodham Clinton during a 2000 campaign interview with Hot 97 a Manhattan hip hop radio station stated Motown Motown That s my era Those are my people Rueter snags them all and provides two wonderful collections of quotations that will truly go down in history *Zell, We Hardly Knew Ye* Alton Hornsby, 2007 Shortly after taking office as Georgia s appointed United States senator in 2002 following the death of incumbent Republican senator Paul

Coverdell former governor Zell Miller stunned the political world with his tilt away from a moderate liberal to a conservative politician He further shocked political leaders particularly in his own Democratic party when he openly embraced the candidacy of Republican president George Bush for reelection in 2004 In the interim Miller voted for most of Bush s conservative agenda in the Congress and lambasted his fellow Democrats in and out of the Senate as out of touch with contemporary American values He also accused Democratic leaders of being overtly biased toward his native South Most of these views were also expressed in his best selling book *A National Party No More The Conscience of a Conservative Democrat* which was published in 2003 This book investigates what some Democrats have called the Miller betrayal in the context of the politics of region class gender and race It seeks to explain Miller s political turn about by detailing his southern origins and his devotion to what he and other Southerners view as a unique southern heritage based upon Christian and patriotic values Professor Hornsby insightfully explores how Miller s southern values evolved and changed over time leading to his oft times radical swings in positions on major political economical and social issues Prior to his term as senator in Washington Miller had already acquired the name Zig Zag Zell as a two term Georgia governor While political leaders and journalists alike have exhaustively attempted to explain Zell s baffling political conversion this is the first work to study the topic derived from what scholars have defined as southernism in terms of basic historical and contemporary issues **Life**

**Among the Cannibals** Arlen Specter, Charles Robbins, 2025-08-22 A revealing memoir of how Washington is changing and not for the better During a storied thirty year career in the U S Senate Arlen Specter rose to Judiciary Committee chairman saved and defeated Supreme Court nominees championed NIH funding wrote watershed crime laws always staying defiantly independent The Contrarian as Time magazine billed him in a package of the nation s ten best Senators It all ended with one vote for President Obama s stimulus when Specter broke with Republicans to provide the margin of victory to prevent another Depression Shunned by the GOP faithful Specter changed parties giving Democrats a sixty vote supermajority and throwing Washington into a tailspin He kept charging taking the first bursts of Tea Party fire at public meetings on Obama s health care reform plan Undaunted Specter cast the key vote for the health plan In *Life Among the Cannibals* Specter candidly describes the battles that led to his party switch his tough transition the unexpected struggles and duplicity that he faced and his tumultuous campaign and eventual defeat in the 2010 Pennsylvania Democratic primary Taking us behind the scenes in the Capitol the White House and on the campaign trail he shows how the rise of extremists in both parties has displaced tolerance with purity tests purging centrists and precluding moderate bipartisan consensus *Proclamation!*

Jeffrey,2014-05-20 A must own title National Review Online American Conservatism An Encyclopedia is the first comprehensive reference volume to cover what is surely the most influential political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia s more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed [They Think You're Stupid](#) Herman Cain,2005 Do the scare tactics deceptions and distortions of politics frustrate you Have you grown cynical about the lack of real issue leadership in Washington Do you often feel as if politicians are talking down to you that they think you re stupid Well that is how politics as usual makes Herman Cain feel In *They Think You re Stupid* Cain proposes an action plan to help the marginalized voter find a true voice in the political process At the same time he offers political party leaders an avenue back to the heart of American democracy the voters Cain identifies a new voter phenomenon occurring across the nation Displaced Democrats rebellious Republicans irate Independents and registered non voters sitting on the sidelines are refusing to strongly identify with either political party *They Think You re Stupid* provides insightful analysis of the factors that have led to what he terms the politically homeless While Democrats are on the road to irrelevancy Cain believes that Republicans have an opportunity to

capture the loyalty of this growing segment of America Herman Cain pinpoints a wide range of issues where he believes voters are unified from the threat of terrorism to economic slavery He argues that the need to see real results around these issues can inspire the politically homeless to become more engaged in the political process and by their very presence transform policies and politics in Washington From the perspective of a successful businessman They Think You re Stupid offers hope for the disenfranchised voter and commonsense advice to the Republican Party Cain explains The Republicans have a unique opportunity to dominate the political landscape for decades if they do a better job of reaching out to the party outsiders with results rather than waiting for outsiders to reach in Cain sees a new day in American politics and that day must include a voice for the politically homeless Book jacket
