A New Earth 2012 Wall Calendar:

2012, the Next Y2k? C. William King, 2011-10-21 Is December 21st 2012 the next Y2K Or Is It The End of the World Many so called experts want you to believe that on that day the world will end in a horrific way and all life on it will cease They say it is because the Mayan calendar stops that day After all the Mayans have made predictions that have come true in their calendar But thats another story But really think about it for a minute The earth has been around for a long long time Just because the Mayans stopped their calendar on that date does it mean the end for all I think not This is a realistic look at some of the possibilities of occurrences happening in the world today The following was taken from the blog 2012 the Next Y2Kblogspot com It is in chronological date order from October 2010 to July 2011 It shows current events of the time and ties together how these events can be twisted into possible reasons to support the doomsday theories for 2012 or not It is meant to provoke thought surprise you and sometimes give a bit of humor to brighten your day By taking a subject and using the out of the box mentality it can be fun and surprising to explore the possible outcomes of an event There are a few sections that can be a bit of a stretch but when you think about the subject matter and the thought behind it it might be an idea that you may have never thought of If nothing else you might find one or two sections that you can take away something from Be it a little different way of thinking about a subject or just a chuckle **Apocalypse** Dan Martin, 2011-05 Will the world as we know it end in our time It s the intention of this book to teach you what you ll need to know IF it does Spiritual scientific predictions asteroid impacts pandemics economical governmental collapse solar flares electrical grid failure climate change epic floods WW3 Planet X peak oil super tsunamis alien invasions how the government s preparing this book has it all and teaches how you and your family can survive it all A complete self help guide not only for the end times but any global crises of which we seem to be having plenty of lately Written by a retired Boeing Aerospace Technician who lived six years 100% self sufficient and cut off from society Dan Martin presents eye opening views of humanity and his insights into possible future events are breath taking to say the least The book makes you wonder is the end closer than we think Are any of us really prepared **2012 Maya End Date** Edward Dayne Curry, 2009-09 Fascinating and Mystical history of the future of the amazing Maya regarding the so called Maya End Date of December 21 2012 Many believe this date heralds the end of humanity Maybe maybe not Ideas suspense and love abound in this exotic Maya setting Discover how Precession and 2012 may affect you in ways you would never expect and increase your zest for life The Teachers Calendar 2011-2012 Editors of Chase's Calendar of Events, 2011-05-11 The most authoritative and comprehensive calendar reference for teachers revised annually to keep readers up to date Offers unique facts important holidays and major anniversaries in a handy day by day calendar format New to this edition is a blog that will feature content from the book fresh ideas for incorporating information into curriculum and occasional guest entries by some of our other authors on the teacher resource list United Earth Thomas L. Townsend II, 2011-06-08 United Earth the Revelation Book Summary It is New Years Eve 2012 A man with a worn

deeply lined face and old dark felt hat pauses briefly peering through a rain drenched store window at festivities on a television screen He is late and must hurry off Mysteries unfold that not only alter the lives of two soldiers in this holiday crowd but could bring changes so unbelievable and shocking as to alter the course of human affairs forever A deadly killer pursues these men as they ask Just how far is too far when it comes to national security and when is the price too high
