A Physicians Journey Toward Healing:

A Physician's Journey Toward Healing Appleton Mason III, 2015-07-29 Appleton A Mason III MD will be the first to tell you that doctors can easily be preoccupied with the science and technology of medicine often at the expense of personally connecting with their patients But in his new memoir Dr Mason shares how over the years his interactions with patients gradually taught him the incalculable power of the human connection to heal both patient and physician As he shares story after story it is as if Dr Mason invites you into his own process of empathy development through listening and understanding While the patient names have been changed every account is completely true You will discover how humor really can serve as a kind of medicine and the surprising impact a bit of hope can have on a patient's progress In an effort to provide a full and candid look at his life as a medical professional Dr Mason also admits his own struggles with depression as well as mistakes he makes and how he reconciles them A compelling insightful read for anyone interested in the medical field these real life stories will leave you marveling at the human spirit and looking for ways to form more meaningful connections in your everyday life

Healing the Rift A Physician's Insight into Medical Negligence Yogesh Gupta, 2024-01-27 In his highly anticipated third book *Healing the Rift A Physician's Insight into Medical Negligence Past Present and Paths to Progress* esteemed author and Senior Consulting Physician Dr Yogesh Gupta goes beyond the surface to explore the historical roots of contemporary healthcare challenges in India Delving deep into the origins of problems imported from the USA which were later adopted by India Dr Gupta presents a meticulous analysis of the factors that have strained the patient doctor relationship Having previously shared his insights in *COVID Diaries Virus vs We and We Learn as We Grow* Dr Gupta brings a wealth of wisdom to his latest work Here he not only examines the historical backdrop of medical negligence but also shines a critical light on the shortcomings of the present legal system in adjudicating the intricate nuances of medical practice In a bold departure from conventional thinking Dr Yogesh Gupta argues that the current punitive model and the lengthy tedious legal processes fail to deliver justice to either the patient or the doctor Firm in his belief that justice should be swift fair and restorative Dr Gupta proposes a new vision for addressing the complexities of medical negligence in India His book is a manifesto for change advocating for a system that prioritizes trust ethics and efficiency *Healing the Rift* is not just a critique it is a call to action Dr Gupta's compelling narrative enriched by historical insights and profound reflections challenges the status quo and presents a roadmap for a healthcare system that serves both patients and doctors equitably This book is essential reading for anyone seeking a transformative perspective on the future of healthcare in India
