Life in the Fringes David de Tremaudan, 2011-03-10 What was it like to grow up on the fringes of our modern society? *Life in the Fringes* presents a collection of short stories and poetry that marks the transition from the innocence of childhood to the understanding of adult life. It examines the situations a child experiences as life takes its twists and turns. Author David de Tremaudan uses autobiographical storytelling that combines old oral traditions with a personal, modern perspective. Each short story offers a tale of de Tremaudan's life described from his unique perspective. It explores the personal view of a child maturing towards adulthood and his growing awareness of the values, morals, and beliefs that frame his life. Evil. We look for evil apart from man. Someone to personify. But the true face of evil, with humankind, does lie. Evil is not an entity. That to Satan gives a face. But the truth is in the lot of us. The total human race. We travel the world to seek our fates. For our selves and truth we search. And in our search we see the ways that evil will besmirch. When Rome took the world renowned and its legions where conquering all. Ask a Roman citizen then. If it was wrong to conquer Gaul. *Life Is About Losing Everything* Lynn

Crosbie, 2012-05-05 From the author of the wildly controversial books *Liar* and *Paul's Case* comes one of the most anticipated and perhaps in some quarters feared books of the year. This is author Lynn Crosbie at her most honest, most cutting, most hilarious, and most heartbreaking. The stories told here are at once a cache, a repository of a seven-year period in the author's life, and too, a gymnasium, a place where she can flex her prodigious wit and her dazzling stash of literary tricks. Deft with matters both low and highbrow, here are stories about 80s big hair bands and the lasting theological value of the Rocky series; here too are stories contemplating critical theory and fine art. *Life Is About Losing Everything* speaks with manic yet grave authority about risking and losing everything and then sorting through the remains to discover what is beautiful, what is trash, and what ultimately belongs. *The Writer on Her Work* Janet Sternburg, 2000 Published to high praise, groundbreaking a landmark. Poets and Writers this was the first anthology to celebrate the diversity of women who write.

Reflections from Wickersham Pond Raymond Copp, 2016-11-10 *Reflections from Wickersham Pond* is a collection of poems about life, faith, and the wonder of our natural world. Authors father and son give a unique generational perspective of the world around us, the importance of family love and relationships. *The Book of Life: Secrets for Today's World* Rai Flowers, Rasheed

Flowers, 2021-05-09 *The Book of Secrets* is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point, and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one

Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words. The format of this manuscript is engaging. The daily entries give the reader a new thought to ponder each day. The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought.
