was a central issue for the eminent Scottish theologian pastor Thomas Boston long before it emerged as a focal point of the theological debate in the Marrow Controversy In *The Marrow of Certainty* Chun Tse presents the first full length study of Boston s theology of assurance in six dimensions trinitarian covenantal Christological soteriological ecclesiastical and sacramental This work not only furnishes the first ever intellectual biography of Boston in his Scottish context and controversies but it also cross studies the theology of the Marrow of Modern Divinity with Boston s notes This research argues that Boston s doctrine of assurance centres on union and communion with Christ the architectonic principle of his theology The book challenges the common conception that Boston s theology merely follows Calvin the Scots Confession the Marrow the Westminster Standards and Scottish federalism Boston most strikingly holds in tension assurance as intrinsic to faith itself a gift from God s sovereignty in election while insisting on self examination as a human responsibility This salient mark of his doctrine of assurance originates from his assertion that Christ died for the elect alone but all elect or not have the warrant to receive Christ As such assurance is theologically a divine gift and pastorally a human endeavour Certainty is thus both extra nos and intra nos Boston this study reveals has a potent and enduring power to speak on the perennial issue of assurance rooted in the person of Christ whom he considers as being the covenant itself **The Need for Creeds Today**

J. V. Fesko,2020-11-03 This brief accessible invitation to the historic creeds and confessions makes a biblical and historical case for their necessity and shows why they are essential for Christian faith and practice today J V Fesko a leading Reformed theologian with a broad readership in the academy and the church demonstrates that creeds are not just any human documents but biblically commended resources for the well being of the church as long as they remain subordinate to biblical authority He also explains how the current skepticism and even hostility toward creeds and confessions came about

Mas o que essa certeza a convicção de que pertencemos a Cristo e de que desfrutaremos da salvação por toda a eternidade com essa definição que Joel Beeke abre o prefácio de A segurança da salvação seu centésimo livro A certeza da fé ou a convicção de que somos justificados pela fé sempre foi um tema vital para os cristãos e permanece relevante em nossos dias nos quais o desejo de muitos de ter comunhão com Deus parece estar diminuindo Quando isso acontece o melhor que podemos fazer mergulhar novamente na doutrina bíblica da certeza da fé Mais do que um tratado de teologia este livro um convite um chamado para que nos aproximemos de Deus com um coração sincero e com a plena certeza da fé Hebreus 10:22
