A Moment In Time Strong Delusion Trilogy Volume 1:

The Flames of Time Peter Knyte, 2015-12-16 Africa keeps its secrets well and its ancient secrets best of all Untouched by the stock market crash of 1929 Kenya is the glamorous and exotic retreat for many seeking to escape the privations of the western world After a group of friends get drawn into a strange shamanic ritual that changes their perception of reality they find themselves on a path they cannot help but follow to a secret that could change the destiny of mankind One secret leads to another and before they know it they find themselves searching for a set of ancient artefacts hidden at some of the world's most ancient sites But there are those for whom preserving such secrets is not only a responsibility but also a solemn duty Powerful individuals who will apparently stop at nothing to protect the world from the secrets of the past 11 - 11 - 11 (Book 1 of John Rachel's End-of-the-World Trilogy) John Rachel, 2015-11-26 Meet Noah Tass Follow him as he tries to escape his hayseed hometown in Missouri This is not a movie This is someone's life Noah was turning 23 and desperate leave Pulnick had forever been a blemish on the anemic face of rural Bible belt America Always bland and soporific it was now being invaded by white supremacist meth heads visited by an unprecedented crime wave exploited by spiritualists and local politicians and driven to hysteria by paranoid rumors that the world would end on November 11th Moreover Noah's personal life was becoming more convoluted by the day Everything seemed to conspire against his singular need to get out of this dreary dead end death wish armpit of a town 11 11 11 is what you call a feel good novel You'll feel good about your own life when you get a load of the losers who populate this living graveyard An Army at Dawn Rick Atkinson, 2007-05-15 WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER In the first volume of his monumental trilogy about the liberation of Europe in World War II Pulitzer Prize winner Rick Atkinson tells the riveting story of the war in North Africa The liberation of Europe and the destruction of the Third Reich is a story of courage and enduring triumph of calamity and miscalculation In this first volume of the Liberation Trilogy Rick Atkinson shows why no modern reader can understand the ultimate victory of the Allied powers without a grasp of the great drama that unfolded in North Africa in 1942 and 1943 That first year of the Allied war was a pivotal point in American history the moment when the United States began to act like a great power Beginning with the daring amphibious invasion in November 1942 An Army at Dawn follows the American and British armies as they fight the French in Morocco and Algeria and then take on the Germans and Italians in Tunisia Battle by battle an inexperienced and sometimes poorly led army gradually becomes a superb fighting force Central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield Eisenhower Patton Bradley Montgomery and Rommel Brilliantly researched rich with new material and vivid insights Atkinson's narrative provides the definitive history of the war in North Africa Three Fugitives Nat Howler, 2012-04 Orren has spent his life in a swine barn under the thumb of his cruel and selfish half brother Lord Berthus But when his best friend and mentor dies Orren finds out he is destined for more Stealing a magical gwell stone that Berthus treasures and fleeing his brother's minions Orren heads for the wilderness

seeking five similar stones so Berthus can't abuse their powers. He finds himself unexpectedly in the company of a clumsy goblin named Haxel and a fiery young woman named Marett. Together they must journey through dangerous territory fraught with such dangers as wild beasts, winter storms, bandits, and a strange cult with a sinister reputation. Chased by the evil Lord Berthus Orren and his companions, they must race against time and terrain, but it soon becomes clear that their quest will fail unless they can shake their enemy's pursuit. Will Orren, Haxel, and Marett survive? Discover a tale of destiny, power, and legendary fantasy in *Three Fugitives*, the first installment of the *Six Stones Trilogy*. **Faelorehn: A Young Adult Dark Fae Romance Novel** Jenna Elizabeth Johnson, 2012-04-21 Haunted by eerie visions. Guarded by a captivating warrior. Hunted by a vengeful goddess. And that's just the start of Meghan's troubles with the fae. Meghan Elam has been strange her entire life. Her eyes have this odd habit of changing color, and she sees and hears things no one else can. On the eve of her seventeenth birthday, the visions and voices in her head grow worse, making her believe she's lost her mind. That is, until the captivating Cade MacRoich arrives with an explanation of his own. Cade brings Meghan news of Eile, an enchanted Celtic realm brimming with ancient magic, a world where whispering spirits exist in the very earth, and a place where Meghan just might find the answers she has always sought. Celtic lore blends beautifully with the modern world in this young adult paranormal romance series starter. *The Furies of Marjorie Bowen* John C. Tibbetts, 2019-11-25 This first book-length critical examination of the life and work of Marjorie Bowen (1885-1952) reveals a major English writer whose prodigious output included stories of history, romance, and the supernatural. As Pulitzer Prize-winning critic Michael Dirda writes in his Foreword, Bowen may be the finest British woman writer of the uncanny of the last century, a view that echoes the high regard of cultural historian Edward Wagenknecht, who called her a literary phenomenon, one whose best work places her alongside such contemporaries as Edith Wharton and Daphne du Maurier. Publicly acclaimed, known only by a series of pseudonyms including Marjorie Bowen, but privately inscrutable, she was and is a mysterious and complex character. Drawing for the first time upon archival resources and the cooperation of the Bowen Estate, this book reveals a woman who saw herself as a rationalist and serious historian but also as a mystic and dark enchantress of dread. Above all, through a lifetime of domestic storms and creative ecstasy, Bowen worked tirelessly as both a professional writer and a consummate artist, always seeking, as she once confessed, to find beauty in dark places. **The Leisure Hour**, 1904 **The Best Novels of the Nineties** Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up-to-date information on the most important and enjoyable contemporary English language novels. Offering critically substantiated reading recommendations, careful cross-referencing, and extensive indexing, this book is appropriate for both the weekend reader looking for the best new mystery and the full-time graduate student hoping to survey the latest in magical realism. More than 1,000 titles are included, each entry citing major reviews and giving a brief description for each book. **The Great Encounter of China and the West, 1500-1800** D. E. Mungello, 2009-03-16 For the Chinese, the drive toward growing political and economic power is part of an

ongoing effort to restore China's past greatness and remove the lingering memories of history's humiliations. This widely praised book explores the 1500-1800 period before China's decline when the country was viewed as a leading world culture and power. D. E. Mungello argues that this earlier era ironically may contain more relevance for today than the more recent past. This fully revised fourth edition retains the clear and concise quality of its predecessors while drawing on a wealth of
