The Sanctuary Murders Susanna Gregory, 2019-08-01 The twenty fourth chronicle of Matthew Bartholomew In 1360 Edward III issues a call to arms as sporadic attacks by the French threaten to turn into a full blown invasion In Cambridge fear of the enemy is magnified by the belief that foreign agents are lurking in the area Tension runs ever higher as rumours and ignorance fan the flames of suspicion amid preparations for war And then the first murder occurs of a French scholar living in the town At Michaelhouse Brother Michael is now Master but his reach of power in the University is under threat by the election of a new Chancellor and his cohort of dubious advisors Soon the Colleges begin to squabble amongst themselves as well as with the

town that never wanted a University in the first place Amidst this atmosphere of swelling distrust physician Matthew Bartholomew is called upon to investigate mysterious deaths in a nearby hospital He quickly realises that there is something odd about the inmates and their keepers something dark and deadly which seems to be connected to the growing number of murders in the town Pressure mounts as the University and the town clamour for answers leading Bartholomew and Michael in a frantic quest for a solution before the powder keg of animosity in Cambridge is ignited A first rate treat for mystery lovers Historical Novels Review Susanna Gregory has an extraordinary ability to conjure up a strong sense of time and place Choice The Chancellor's Secret Susanna Gregory,2021-08-05 In 1360 the Great Bridge over the River Cam is close to collapse To repair it will cost the town and the University dear especially if its rotten wood is replaced by more durable stone As arguments rage over raising the money other equally heated differences are coming to the boil over the election of a new Chancellor While the majority support Brother Michael for the post at least one of his opponents aims to seize it by fair means or foul Then the discovery of a body under the bridge and the disappearance of two scholars throws a more sinister shadow over both disputes Matthew Bartholomew the University's Corpse Examiner already has his hands full due to marry in under a fortnight he is determined to conclude his teaching duties and deal with an outbreak of the summer flux before relinquishing his official duties With more deaths an accident at the bridge and an increasing stench of corruption over the financing of the bridge's repairs he realises he owes more to his soon to be former colleagues than to his future life as a secular doctor But will there be enough time for him to unveil the identities of those who seek to undermine both the town and the University or will he prove powerless to protect those he loves from death or disgrace or worse **A Grave**
