If You Lean In, Will Men Just Look Down Your Blouse? Gina Barreca, 2025-06-25 Gina Barreca is fed up with women who lean in but don t open their mouths In her latest collection of essays she turns her attention to subjects like bondage which she notes now seems to come in fifty shades of grey and has been renamed Spanx She muses on those lessons learned in Kindergarten that every woman must unlearn like not having to hold the hand of the person you re waking next to especially if he s a bad boyfriend or needing to have milk cookies and a nap every day at 3 00 PM which tends to sap one s energy not to mention what it does to one s waistline She sounds off about all those things a woman hates to hear from a man like Calm down or Next time try buying shoes that fit If You Lean In Will Men Just Look Down Your Blouse is about getting loud getting love getting ahead and getting the first draw or the last shot Here are tips lessons and bold confessions about bad boyfriends at any age about friends we love and ones we can t stand anymore about waist size and wasted time about panic placebos placentas and certain kinds of not so adorable paternalism attached to certain kinds of politicians The world is kept lively by loud women talking and If You Lean In Will Men Just Look Down Your Blouse cheers and challenges those

voices to come together and speak up You think she s kidding Oh boy do you have another thing coming
