*Breaking Out of a Broken System* Seth Bolt, 2014-02-07 2 very different brothers 2 very different parents 2 very different success stories In *Breaking Out of a Broken System* Seth and Chandler Bolt embark on a week long journey of reflection as they outline the success strategies their parents taught them and the ways those strategies have impacted their lives in very surprising and different ways What the Bolt brothers parents taught them was a way to break out of the broken system that encourages young people to sign up for a mountain of student loan debt graduate get a job that barely covers their bills and trudge up the ladder one wearisome rung at a time Seth and Chandler decided to share this knowledge Dedicating their 2012 Christmas break to writing the book each brother wrote about the 15 principles handed down by their parents and how those strategies shaped his successes and goals Each brother discusses moments of great triumph and those of failure The triumphs celebrate the lessons and give the reader two good examples of how having the right plan still requires hard work and dedication The failures provide comic relief and are often parlayed into teaching points that are honest and effective *Breaking Out of a Broken System* lays out the roadmap that allowed and continues to allow the Bolt brothers to achieve so much success *Breaking Out of a Broken System* provides practical application of the 15 strategies and gives readers an entertaining glimpse into how they can be applied across interests and disciplines It challenges readers to do things differently to define their own dreams buck the system achieve their goals and live free of debt The result is a refreshing funny and entirely unique treatise that in spades informs and empowers people to chase their dreams and avoid the systemic traps that derail most people from their true purpose

**Prison Movies** Kevin Kehrwald, 2017-02-14 Prison Movies Cinema Behind Bars traces the public fascination with incarceration from the silent era to the present Often considered an offshoot of the gangster film the prison film precedes the gangster film and is in many ways its opposite Rather than focusing on tragic figures heading for a fall the prison film focuses on fallen characters seeking redemption The gangster's perverse pursuit of the American dream is irrelevant to the prisoner for whom that dream has already failed At their core prison films are about self preservation at the hands of oppressive authority Like history itself prison films display long stretches of idleness punctuated by eruptions of violence dangerous moments that signify liberation and the potential for change The enclosed world of the prison is a highly effective microcosm one that forces characters and audiences alike to confront vexing issues of race class gender and sexuality These portrayals of men and women behind bars have thrived because they deal with such fundamental human themes as freedom individuality power justice and mercy Films examined include *The Big House* 1930 *I Want to Live* 1958 *The Defiant Ones* 1958 *Cool Hand Luke* 1967 *Midnight Express* 1978 *Escape from Alcatraz* 1979 *The Shawshank Redemption* 1994 and *Starred Up* 2013
