Bridging The Gap Between College And Law School Strategies For Success:

Bridging the Gap Between College and Law School Ruta K. Stropus, Charlotte D. Taylor, 2009 This popular book helps students make the transition from their undergraduate experience to law school learning Unlike other introduction to law school texts Bridging the Gap offers a different approach because it Explains the why of law providing students with the context necessary to understand why law school is taught in a certain manner Explains the how of the law setting out a step by step process that will help students adapt to the law school setting Explains the what of the law giving students the opportunity to practice the problem solving process by providing numerous exercises in a variety of subject matter areas Rather than giving only general advice or black letter law and some practice problems for a specific subject Bridging the Gap provides the context the process and the problems Written by two former law school professors who used these techniques with thousands of students Bridging the Gap is a guide to what really works in law school
