A Mind That Found Itself Clifford Whittingham Beers, 2015-01-31 **A Mind That Found Itself An Autobiography** By Clifford Whittingham Beers Documents the Abuse of Mental Patients This story is derived from as human a document as ever existed and because of its uncommon nature perhaps no one thing contributes so much to its value as its authenticity It is an autobiography and more in part it is a biography for in telling the story of my life I must relate the history of another self a self which was dominant from my twenty fourth to my twenty sixth year During that period I was unlike what I had been or what I have been since The biographical part of my autobiography might be called the history of a mental civil war which I fought single handed on a battlefield that lay within the compass of my skull An Army of Unreason composed of the cunning

and treacherous thoughts of an unfair foe attacked my bewildered consciousness with cruel persistency and would have destroyed me had not a triumphant Reason finally interposed a superior strategy that saved me from my unnatural self I am not telling the story of my life just to write a book I tell it because it seems my plain duty to do so A narrow escape from death and a seemingly miraculous return to health after an apparently fatal illness are enough to make a man ask himself For what purpose was my life spared That question I have asked myself and this book is in part an answer I was born shortly after sunset about thirty years ago My ancestors natives of England settled in this country not long after the Mayflower first sailed into Plymouth Harbor And the blood of these ancestors by time and the happy union of a Northern man and a Southern woman my parents has perforce been blended into blood truly American
