A Mothers Smile A 13 Month Journey Of Losing Mom To Cancer:

A Mother's Smile Kristopher James, 2015-11-12 When his mother was diagnosed with metastatic pancreatic cancer author speaker and producer Kristopher James looked for a book to help support him through the turbulent emotional times waiting for him ahead When he was unable to find such a book Kristopher knew he had to write it himself So after his mother succumbed to the terrible disease thirteen months later Kristopher used the extensive journals he d kept during her struggle and after her death to help others going through the same overwhelming grief and helplessness Culled from his meticulously kept chronicles *A Mother's Smile* provides an honest look at the devastation cancer wreaks on individuals and their loved ones and provides comfort and solidarity amidst the pain and sadness Kristopher draws on his own experiences with his mother to provide helpful universal guidance for the practicalities of dealing with a cancer diagnosis and aftermath He assures readers they are not alone that though the world seems like it is ending they can find the strength to keep moving forward through the heartache to a place of hope and peace

Just To Make You Smile Sarah Caldwell, 2015-04-27 My dad was going to die My sweet loving caring and wonderful in every way dad was going to leave me before he could watch my sister and me grow up At the tender age of fifteen Sarah Caldwell learned that her father had been diagnosed with ALS amyotrophic lateral sclerosis and had only a short time left to live In moments her life went from texting friends going to gymnastics practice and family vacations by the sea to watching her father's rapid irreversible deterioration a process that plunged her into deep depression But Jim Caldwell was a man whose indomitable spirit in the face of his suffering provided the ultimate inspiration for Sarah to transform her depression into a journey of healing and love She learned to accept her and her father's fate and became determined not to waste a moment of the time she had left with him When her father passed away leaving Sarah to face life without her beloved dad she was determined again to continue on the path of hope and strength making sense of her loss and honoring his life by helping raise awareness of ALS and money for desperately needed research for a cure With a special foreword by former pro football player Steve Gleason *Just To Make You Smile* is the rare honest compassionate and bold account of a young adult's process of watching a parent get ill and die and the inspiration she hopes to impart by sharing her grieving process deep inner growth and healing By telling her story in its entirety from the lowest depths of grief and depression to the heights of finding her inner strength making a difference and carrying on her father's fighting spirit she hopes to touch the lives of others especially kids with a sick parent letting them know they are never alone on this difficult journey
