A Need To Know The Clandestine History Of A Cia Family:

A Need to Know H.L. Goodall Jr, 2016-06-16 In scenes eerily parallel to the culture of fear inspired by our current War on Terror *A Need to Know* explores the clandestine history of a CIA family defined and ultimately destroyed by their oath to keep toxic secrets during the Cold War When Bud Goodall's father mysteriously died his inheritance consisted of three well worn books a Holy Bible *The Great Gatsby* and a diary But they turned his life upside down From the diary Goodall learned that his father had been a CIA operative during the height of the Cold War and the Bible and *Gatsby* had been his codebooks Many unexplained facets of Bud's childhood came into focus with this revelation The high living in Rome and London The blood stained stiletto in his jewelry case Bud as a child was always told he never had a need to know Or did he Now as an adult and a university professor Goodall attempts to fill in the missing pieces of his Cold War childhood by uncovering a lifetime of family secrets Who were his parents What did his father do on those business trips when he was working for the government What betrayal turned a heroic career of national service into a nightmare of alcoholism depression and premature death for both of his parents Slowly inexorably Goodall unearths the chilling secrets of a CIA family in *A Need to Know* 2006 Best Book Award National Communication Association Ethnography Division **Popularizing Scholarly**

Research, 2021-08-17 *Popularizing Scholarly Research* Research Methods and Practice contextualizes the role of digital resources such as blogs social media and email in the move toward making scholarship accessible and explains the role of research methods in knowledge construction Topics covered in the book include survey research interviews oral history ethnography autoethnography evaluation literature visual art health theatre narrative film and a range of methods that rely on the internet and social media Leaning Ronald J Pelias, 2016-06-03 Explore with Ronald Pelias the physical space between people and learn the metaphorical importance of leaning in this personal performative narrative about relationships

Essentials of Publishing Qualitative Research Mitchell Allen, 2016-07-01 Getting a qualitative article or book published involves more than simply doing the research writing it up and sending it off You also need to know how to navigate the social relations of presenting your work to the journal editor or book publisher and how to craft your message to them if you want to be successful Written by a highly respected publisher of qualitative research this brief practical resource shows you how to identify the right home for your work It also guides you through the publications process from crafting the abstract to writing production and marketing once you've found the best publisher The author demystifies what publishers and journal editors do how they make their decisions on qualitative articles research studies and methods books discusses edited books how to publish from your dissertation and when to consider open access and electronic publications and includes case studies appendixes forms and resources to help the aspiring academic *Autoethnography* Tony E. Adams, Stacy Linn Holman Jones, Carolyn Ellis, 2015 Brimming with examples this book demonstrates how qualitative researchers can use autoethnography as a method for qualitative research Topics include a brief history of autoethnography the purposes and

practices of doing autoethnography interpreting analyzing and representing personal experience and evaluating autoethnographic work

Revision Carolyn Ellis, 2016-07-01 Carolyn Ellis is the leading writer in the move toward personal autobiographical writing as a strategy for academic research In addition to her landmark books *Final Negotiations* and *The Ethnographic I* she has authored numerous stories that demonstrate the emotional power and academic value of autoethnography This volume collects a dozen of Ellis's stories about the loss of her husband brother and mother of growing up in small town Virginia about the work of the ethnographer about emotionally charged life issues such as abortion caregiving and love Atop these captivating stories she adds the component of meta autoethnography a layering of new interpretations reflections and vignettes to her older work An important new work for qualitative researchers and a student friendly text for courses

Accidental Ethnography Christopher N. Poulos, 2018-08-15 Each family has its secrets ones that shape family communication and relationships in a way generally unknown to the outsider and often the family itself Autoethnographers students of these relationships confront many silences in their attempts to understand these social worlds Now issued as a Routledge Education Classic Edition *Accidental Ethnography* delves into this shadowy world of pain and loss in the hopes of finding productive ethical avenues for transforming the secret lives of families into powerful narratives of hope It merges autoethnographic method with the therapeutic power of storytelling to heal family wounds A new preface text by the author reflects on the changes in the field of qualitative research and on his own research journey since the publication of the original edition

Collaborative Futures in Qualitative Inquiry Norman K. Denzin, Michael D. Giardina, 2021-05-03 *Collaborative Futures in Qualitative Inquiry* critically reflects on and explores the role of qualitative research amidst the global COVID 19 pandemic Against this unprecedented backdrop it asks what research means during a global pandemic and what it means to be an academic Leading international scholars from the United States Canada Chile New Zealand Norway and the United Kingdom wrestle with the changing dynamics of research in pandemic times Collectively and collaboratively contributors call for a critical performative social justice inquiry directed at the multiple crises of our historical present a rethinking of where we have been and critically where we are going More specifically contributors focus on such topics as the emotional geographies of academic writing assaults on science and truth pedagogies of the imagination indigenization and reconciliation the search for our common humanity and the relevance of qualitative inquiry in an era of big data and digital transformation *Collaborative Futures in Qualitative Inquiry* is a must read for faculty and students alike who are interested in imagining new ways to collaborate to engage in research and activism and represent and intervene into social life in pandemic times
