A New Reformation Creation Spirituality And The Transformation Of Christianity:

A New Reformation Matthew Fox, 2006-02-14 A modern day theologian s call for the radical transformation of Christianity Echoes the Reformation initiated by Martin Luther in 1517 Addresses the corruption and authoritarian tendencies that distinguish today s Christian institutions from the spiritual message upon which they are founded Offers a new vision of Christianity that values the Earth honors the feminine and emphasizes spiritual tolerance In 1517 Martin Luther disgusted at the corruption then reigning in the Catholic Church nailed on the door of Castle Church in Wittenberg Germany 95 theses calling for a Reformation During Pentecost week 2005 former Dominican priest Matthew Fox nailed at that same church door a new set of 95 theses calling for a reawakening of the Christian spirit and a repudiation of the authoritarian punitive tendencies that prevail in modern churches today Fox s theses not only condemn the deep corruption in the hierarchy of the Roman Catholic Church made evident by the pedophile scandal and the recent canonization of a fascist admirer of Hitler but also speak to the loss of inspiration and resulting apathy that have emptied churches of all denominations Fox says At this critical time in human and planetary history when the earth is being ravaged by the violence of war poverty sexism homophobia and eco destruction we need to gather those who offer a future that is one of compassion creativity and justice to speak their conscience as never before Religion ought to be part of the solution not the problem His 95 theses call for a New Reformation a radical transformation that will allow us to move once again from the hollow trappings of organized religion to genuine spirituality

Meister Eckhart Matthew Fox, 2014-06-01 Though he lived in the thirteenth century Meister Eckhart s teachings were in many ways modern His thinking was deeply ecumenical encompassing Judaism Buddhism and Hinduism as well as shamanism and indigenous spirituality He advocated for social economic and gender justice taught about what we call ecology and championed artistic creativity All these elements have inspired Matthew Fox and influenced his Creation Spirituality While Fox recognizes that Eckhart has influenced everyone from Teresa of Avila to Eckhart Tolle Karl Marx to Carl Jung and Annie Dillard to Anne Morrow Lindbergh he also wants to introduce Eckhart to those activists addressing contemporary crises Toward that end and as he did in his Hildegard of Bingen Fox creates metaphorical meetings between Eckhart and the Dalai Lama Thomas Merton Joanna Macy Black Elk Rumi Adrienne Rich and others The result is wonderfully reader friendly profoundly substantive and deeply inspiring

A Way to God Matthew Fox, 2016-04-01 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton s birth Fox says that much of the trouble he s gotten into such as being excommunicated in 1993 from the Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton s journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox s own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits

but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging

The Physics of Angels Rupert Sheldrake, Matthew Fox, 2014-10-21 Fox an Episcopal priest and Sheldrake a biologist create a profound and intelligent vision of angels for the next millennium

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox's stirring autobiography *Confessions* reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author's continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men *Confessions* tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author's work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world's spiritual traditions to stand up for eco justice gender justice economic justice and social justice

Pop Cult Rupert Till, 2010-12-02 Explores the development of a range of cults of popular music as a response to changes in attitudes to meaning spirituality and religion in society
