A Not Scary Story About Big Scary Things:

A Not Scary Story About Big Scary Things C. K. Williams, 2010-09-06 A boy walks through a forest full of snakes and wolves and bears but this boy isn't afraid because he knows they'll stay out of his way The scary monster in this forest won't stay out of his way though He pops out at the boy and growls But the brave boy just keeps walking along because he doesn't believe in monsters This sets the monster to begging and begging for the boy to believe in him even just a smidge Will the boy ever agree This unusual monster story with thrills and fangs and growls shows that a little confidence and a lot of courage can shrink fears to a size that might even be a little cuddly

All at Once C. K. Williams, 2014-09-09 Short sharp musings on things profound and mundane and sometimes both from the Pulitzer Prize winning poet C K Williams has never been afraid to push the boundaries of poetic form in fact he's known for it with long lyrical lines that compel enthrall and ensnare In his latest work All at Once Williams again embodies this spirit of experimentation carving out fresh spaces for himself and surprising his readers once more with inventions both formal and lyrical Somewhere between prose poems short stories and personal essays the musings in this collection are profound personal witty and inventive sometimes all at once Here are the starkly beautiful images that also pepper his poems a neighbor's white butane tank in March glares in the sunlight raw and unseemly like a breast inappropriately unclothed in the painful chill Here are the tender masterful sketches of characters Williams has encountered a sign painter and skid row denizen who makes an impression on the young soon to be poet with his terrific focus an intensity I'd never seen in an adult before And here are a husband's hymns to his beloved wife to her laughter which always has something keen and sweet to it an edge of something like song This is a book that provokes pathos

and thought that inspires sympathy and contemplation It is both fiercely representative of Williams's work and like nothing he's written before a collection to be admired celebrated and above all read again and again

Selected Later Poems C. K. Williams, 2025-09-23 A selection from the last twenty years of C. K. Williams's career plus new work proof of his enduring power C. K. Williams's long career has been a catalog of surprises of inventions and reinventions of honors His one constant is a remarkable degree of flexibility a thrilling ability to shape shift that goes hand in hand with an essential enduring honesty This rare heady mix has ensured that Williams's verses have remained from book to book as fresh and vibrant as they were when he first burst onto the scene *Selected Later Poems* a generous selection of the last two decades of Williams's poetry capped by a gathering of new work is a testament to that enduring vibrancy Here are the passionate searching clear-eyed explorations of empathy in *The Vigil* here is the candor and revelation of *Repair* here is the agonizing morality of *The Singing and Wait* and the unsparing reflections on aging of *Writers Writing Dying* here are the poignant prose vignettes of *All at Once* Williams's poetry is essential because its lyric beauty precise and revealing images and elegant digressions are coupled to a conscience both uneasy and unflinching *Selected Later Poems* is at once a celebration of Williams's career an affirmation of his continued position in the pantheon of American poets and a kind of reckoning a reminder of the ways in which art can serve both beauty and justice

Falling Ill C. K. Williams, 2025-10-16 A capstone to an unforgettable career Over the past half century the great shape-shifting poet C. K. Williams took upon himself the poet's task to record with candor and ardor the burden of being alive In *Falling Ill* his final volume of poems he brings this task to its conclusion bearing witness to a restless mind's encounter with the brute fact of the body's decay the spirit's erasure Written with unsparing lyricism and relentless discursive logic these brave poems face unflinchingly the dreadful edge of a precipice where a futureless future stares back Urgent unpunctuated headlong vertiginous they race against time to trace the sinuous startling twists and turns of consciousness All is coming apart taken away except the brilliant art to describe it as the end is coming All along is the reassurance of love's close presence Here are no easy resolutions false consolations Like unanswered prayers they are poems of deep interrogation a dialogue between the agonized I in its harrowing here and nowness and the elusive you of the beloved who flickers achingly just out of reach Williams's *Falling Ill* takes its place among the enduring works of literature about death and departure
