Watch Officers Manual Charles Emerson Hovey, Solomon Endel, 1917 *Atlantic's Last Stop* Bob Chaulk, 2025-09-19
In the pre dawn hours of April 1 1873 as the lookouts looked the steersman steered and the captain slept something was happening to the SS Atlantic The tide had quietly carried the White Star Line ocean liner twelve miles off course and land was closer than anybody realized or was willing to believe The wreck of the SS Atlantic would become the worst transatlantic passenger ship disaster before Titanic and although it happened almost 150 years ago there are still many unanswered questions That is changing Ten years after co authoring the most celebrated book to date on Nova Scotia s worst shipwreck author Bob Chaulk has uncovered never reported information that answers the question historians have been grappling with for over a century why a state of the art steamship with all equipment in perfect working order in good weather and commanded by officers of the world s leading seafaring nation ended up striking rock outside Halifax and sinking resulting in some 550 deaths Over a five year period Chaulk tracked down many descendants of those on the scene and aboard the ship patiently piecing their stories together to reveal a shocking conclusion This richly illustrated work featuring maps and colour photos includes many firsthand accounts from passengers crew officers and local rescue people **Manual of Aeronautical Meteorological Practice** ,2011 *Moody's OTC Unlisted Manual* ,1987 **Technical Manual** United States.
