Exploring Race, Ethnicity, Gender, and Sexuality in Four Spanish Plays Beth Ann Bernstein, 2021-07-21 Exploring Race Ethnicity Gender and Sexuality in Four Spanish Plays explores society's influence on identity in Spanish theatrical works and discusses parallels to these works in contemporary popular culture The Spanish plays *El retablo de las maravillas* The Marvelous Puppet Show by Miguel de Cervantes Saavedra 1615 *Virtudes vencen señales* Virtues Overcome Signs by V. L. Guevara 1620 *El público* The Audience by Federico García Lorca 1929 and *La llamada de Lauren* Lauren's Call by Paloma Pedrero 1985 all deal with characters in the midst of a crisis of identity Using an eclectic approach supported by contemporary theories of race ethnicity gender and sexuality Beth Bernstein analyzes the four plays in terms of identity and shows how society imposes the construction of identity As the characters reach to define themselves internal and external pressures guide them in interpreting acceptable behavior This book offers a close reading of the psychological struggle of the characters driven by society to cover their differences with a symbolic mask which if donned will eventually devour their true identity
