12. REPAIR

If the tester fails during use, check the following items before sending it for repair.

- Is the fuse not blown?
- Is the battery not exhausted?
- Are the test leads not disconnected?

We repair defective product at cost. When mailing it to us for repair, do not use the same cardboard box in which it was delivered to you because it may receive damage in transit. Please send it in a box at least five times as large as the original box with enough cushioning material stuffed around it.

13. FOR INFORMATION OR INQUIRY

If you need information regarding purchase of repair parts and optional accessories or if you have any other sales related questions, please contact the dealer, selling agent, or maker.

The specifications described in this manual are subject to change without notice.
