Language of Man: Deciphering Petroglyphs Chris Hegg, 2015-12-01 Get ready to witness and unlock the first messages left from the ancient civilizations who vanished without even being known to exist until now These messages detail maps and sagas of a once worldly empire who traded in goods of unimaginable quantities from all over the American continent too far off lands Detailed is symbology to understand the vast network of hidden caves of ancient goods storage and transport routes Of treasure and artifacts of great importance left in hidden locations throughout time awaiting rediscovery so the world may once again know of this magnificent empire 13 000 years ago Our early explorers quickly discovered they were not the first to conquer the farthest shores of earth Modern man gazed upon ancient images and monuments of long ago pioneers already decaying from great age We have all contemplated what secrets they kept locked in a maze of limitless configurations of beauty and synchronicity Such industrious and indelible creations were certainly made to convey meaning What connection does a global network of rock carvings and mega structures mean to our history Well the answer will surprise you Chris Hegg has dedicated his life to finding out these answers At age 45 Chris has moved beyond the stumbling decades of logging and failures of comprehension to gain ever increasingly small victories in their understanding Now at a fever pitch in symbol decipherment Chris has uncovered the most startling facts of individual symbol meanings that reveal amazing stories of courage inhospitable lands and global travel unimaginable when he first started this quest A much deeper innate secret lay rooted in the symbols however they were the first Universal Language of Man Thought as just rock art by archeologists petroglyphs megaliths and geoglyphs are all related comprising a single ancient language This language is known in biblical stories and now confirmed by scientific methodology This book is dedicated to that first Universal Language To be reborn so the secrets lost to us can be discovered once more Finally a tool capable of peeling away the layers of our forgotten past to read firsthand accounts of the struggles of man on a global scale over 13 000 years ago The stories are a tribute to our perseverance and domination in a harsh world conquered thousands of years before Columbus Decipher Stel

of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it
