Andre The Giant Closer To Heaven:

Andre the Giant Brandon Easton, 2016-06-14 This is the story you've never been told about Andre the Giant Roussimoff. Written by 2014 Eisner Award nominee Brandon M. Easton with gorgeous artwork by Denis Medri, this unprecedented biography of Andre the Giant charts his earliest days on his family's farm to his enormously successful runs in Japan to his heated feuds with the biggest wrestling stars of all time to his memorable turns in Hollywood TV and cinema and to his darkest moments caused by excessive substance abuse. Based on testimony from Andre's friends and colleagues including his daughter Robin, a surprisingly touching narrative that reveals a new side to Andre The Giant Roussimoff. With a voice and tone perfectly matched to Andre's demeanor, Easton's writing brings Andre back to life. **Brutal Gamer Andre the Giant** Brandon M. Easton, Denis Medri, 2015 Goliath as Gentle Giant Jonathan L. Friedmann, 2022-01-17 In the Hebrew Bible and stories loyal to it, Goliath is the stereotypical giant of folklore: big, brash, violent, and dimwitted. Goliath as Gentle Giant sets out to rehabilitate the giant's image by exploring the origins of the biblical behemoth, the limitations of the underdog metaphor, and the few sympathetic treatments of Goliath in popular media. What insights emerge when we imagine things from Goliath's point of view? How might this affect our reading of the biblical account or its many retellings and interpretations? What sort of man was Goliath really? The nuanced portraits analyzed in this book serve as a catalyst to challenge readers to question stereotypes, reexamine old assumptions, and humanize the other. **Pro Wrestling** Lew Freedman, 2018-09-07 This book provides readers with an abundance of information and historical perspective as well as entertaining and memorable anecdotes about professional wrestling. Readers will also learn unusual snippets of trivia that will enhance their comprehension of the sport. This authoritative work on the history and culture of professional wrestling features the biggest names in the wrestling world since the sport emerged on the American sporting landscape. It comprises short biographies of all of the key players in the sport's evolution and rise to popularity from old timers to barrier breakers to household names such as Hulk Hogan, The Rock, Andre the Giant, and more, and includes not only men but also many women who have made a name in the sport. Surveying professional wrestling from its roots dating centuries to the modern era pre-20th century and into the 21st century, the work tells the transformational stories of prominent wrestlers and the sport as a whole in many cases, bringing out the humor and outrageousness in the nature of an activity that has always straddled the line between show business and sport. But more importantly, *The Eighth Wonder of the World: The True Story of André the Giant* transports readers beyond the smoke and mirrors of professional wrestling into the life of a real man. Born in France, André worked on his family's farm until he was 18, when he moved to Paris to pursue professional wrestling. A truly extraordinary figure, André went on to become an international icon and world traveler, all while battling acromegaly. While his disorder is what made him a giant and a household name, it's also what caused his untimely death at 46. With exhaustive research, exclusive interviews with family and friends, and an exploration of André's amazing in-ring career and the indelible mark he left on pop culture, Laprade and Hébert have crafted the most complete portrait of a modern-day mythical being.
