God's Love Douglas George, 2022-03-24 We as Christians must consider it an honor and a privilege to be a part of God's family and to have God's love Love is essential to the nature of God Those who have become partakers of the new nature are the people of God They alone increasingly reflect the Holy and loving character of God and love others The transformed hearts of Christians respond to the call of God to love one another Christians understand that the loving of God involves the guiding rod and staff by the chief shepherd Jesus Only those who are truly Christ like will be held until the end for they have true faith in him Times of doubt may come and the storms of life may assail them but if we belong to Christ we are held by him and will belong to him always Such biblical truth should cause Christians to draw near humbly to the throne of God to know and grow in the love of God God's love serves as a constant reminder that God is always watching ready to help you in any way you need or even just want God's love ranges from his fierce protection of these followers to the promise that his love will never falter no matter what For God so loved the world that he gave his one and only Son that whoever believes in him shall not perish but have eternal life John 3:16 I Douglas George can make plans but God determines my steps You cannot overlook your starting point Vision Where I am going and what shall I do Finally plant a seed and leave the rest up to God
