

BOOK SYMPOSIUM

BEING GOOD: CHRISTIAN VIRTUES FOR EVERYDAY LIFE

MICHAEL W. AUSTIN

Eastern Kentucky University

R. DOUGLAS GEIVETT

Talbot School of Theology, Biola University

In some segments of the church it is now routinely suggested that Christianity is not about ethics; rather, it is about a relationship with Christ. While we applaud any resistance to reducing Christianity to an ethical system, we are concerned that Christian antipathy toward ethical theory is itself unchristian. Christianity is not *merely* about ethics, but it does *essentially include* ethics. The Christian, as a follower of Jesus, should seek to embody the moral and intellectual virtues of Jesus Christ, our Lord. This book seeks to assist in this task as, together, we follow Jesus Christ. He is our moral and intellectual exemplar.

There is, sometimes latent and sometimes explicit, resistance to ethics within the spiritual formation movement as well. We affirm the emergence and flourishing of the movement, and we are strong advocates of practicing the spiritual disciplines for the sake of connection to and growth in Christ. But it seems to us that at least some approach these disciplines merely as avenues for having some sort of subjective, or even mystical, experience of God. While all believers should have such a thirst for him, and part of the function of the disciplines is to enter into fellowship with God, we believe there is great potential for *moral* formation that is at present untapped. And we believe that the Scriptures strongly emphasize this aspect of following Christ. The vital linkage between our experiential knowledge of Christ and growth in moral formation understood as the inculcation of character traits, or virtues.

This is a New Testament emphasis. Jesus himself stressed the need for obedience as a condition for knowing God deeply, for obedience leads to personal transformation in character (see, for example, John 7:16–18). On this point we should reflect also on 2 Peter 1:3–11, which is worth quoting in full:

Being Good Christian Virtues For Everyday Life

Michael W. Austin

Being Good Christian Virtues For Everyday Life:

Being Good Michael W. Austin, R. Douglas Geivett, 2011-12-20 This volume offers a fresh timely practical look at eleven key Christian virtues faith open mindedness wisdom zeal hope contentment courage love compassion forgiveness and humility Writing from a distinctively Christian perspective the authors thoughtfully explore and explain these select virtues seeking to nurture readers in lifelong character growth and to promote the centrality of the virtues to the Christian faith Grouped under the headings Faith Hope and Love the chapters each conclude with questions for further reflection Contributors Michael W Austin Jason Baehr Rebecca Konyndyk DeYoung R Douglas Geivett David A Horner William C Mattison III Paul K Moser Andrew Pinsent Steve L Porter James S Spiegel Charles Taliaferro David R Turner [Longing for the Good Life: Virtue Ethics after Protestantism](#) Pieter Vos, 2020-11-12 This book argues that Protestant theological ethics not only reveals basic virtue ethical characteristics but also contributes significantly to a viable contemporary virtue ethics Pieter Vos demonstrates that post Reformation theological ethics still understands the good in terms of the good life takes virtues as necessary for living the good life and considers human nature as a source of moral knowledge Vos approaches Protestant theology as an important bridge between pre modern virtue ethics shaped by Aristotle and transformed by Augustine of Hippo and late modern understandings of morality The volume covers a range of topics going from eudaimonism and Calvinist ethics to Reformed scholastic virtue ethics and character formation in the work of Søren Kierkegaard The author shows how Protestantism has articulated other centered virtues from a theology of grace affirmed ordinary life and emphasized the need of transformation of this life and its orders Engaging with philosophy of the art of living Neo Aristotelianism and exemplarist ethics he develops constructive contributions to a contemporary virtue ethics [The Oxford Handbook of Virtue](#) Nancy E. Snow, 2018 The late twentieth and early twenty first centuries have seen a renaissance in the study of virtue a topic that has prevailed in philosophical work since the time of Aristotle Several major developments have conspired to mark this new age Foremost among them some argue is the birth of virtue ethics an approach to ethics that focuses on virtue in place of consequentialism the view that normative properties depend only on consequences or deontology the study of what we have a moral duty to do The emergence of new virtue theories also marks this new wave of work on virtue Put simply these are theories about what virtue is and they include Kantian and utilitarian virtue theories Concurrently virtue ethics is being applied to other fields where it hasn't been used before including bioethics and education In addition to these developments the study of virtue in epistemological theories has become increasingly widespread to the point that it has spawned a subfield known as virtue epistemology This volume therefore provides a representative overview of philosophical work on virtue It is divided into seven parts conceptualizations of virtue historical and religious accounts contemporary virtue ethics and theories of virtue central concepts and issues critical examinations applied virtue ethics and virtue epistemology Forty two chapters by distinguished scholars offer insights and directions for further research In

addition to philosophy authors also deal with virtues in non western philosophical traditions religion and psychological perspectives on virtue *The Outrageous Idea of the Missional Professor, International Edition* Paul M. Gould,2019-06-05 The outrageous idea of this book is that God wants to use professors as professors to reach others transform the academy and meet the needs of the world God is on a mission to redeem and restore this fallen world and as members of one of the most influential institutions in society Christian professors in the university play an important role in that mission Becoming a missional professor will require a clear vision of God's heart for the lost as well as humankind's purpose and calling under the banner of Christ an understanding of the significance of the university as a cultural shaping institution and mission field and a desire for Christian wholeness in a fragmented world This idea is outrageous because many Christian professors struggle to live missionally and need a clear vision of such a life as well as role models to lead the way Many professors already living missional lives need encouragement to excel still more 1 Thess 4:10 We all need God's grace and mercy as we try to faithfully follow Christ within the university Paul M Gould PhD Purdue University teaches philosophy and apologetics at Oklahoma Baptist University and is the founder and president of the Two Tasks Institute D Keith Campbell PhD Southeastern Baptist Theological Seminary is Global Partnerships Vice President at Global Scholars Li Ma PhD Cornell University is Senior Research Fellow at the Henry Institute for the Study of Christianity and Politics at Calvin College Omar Montero PhD Candidate University of Buenos Aires is Associate Professor and Researcher for Undergraduates and Postgraduates in the Architectural and Design Department at the University of Buenos Aires Granville W Pillar PhD University of Newcastle is Associate Professor of Philology at Ferenc R Koczy II Transcarpathian Hungarian Institute Ukraine Osam Edim Temple PhD University of Ibadan is former Professor of Philosophy at the American University of Nigeria and Special Advisor to the Honourable Minister of Niger Delta Affairs Bee Lan C Wang PhD University of Chicago taught at the Science University of Malaysia Northern Illinois University and Wheaton College Illinois

Current Controversies in Virtue Theory Mark Alfano,2015-02-11 Virtue is among the most venerable concepts in philosophy and has recently seen a major revival However new challenges to conceptions of virtue have also arisen In *Current Controversies in Virtue Theory* five pairs of cutting edge philosophers square off over central topics in virtue theory the nature of virtue the connection between virtue and flourishing the connection between moral and epistemic virtues the way in which virtues are acquired and the possibility of attaining virtue Mark Alfano guides his readers through these essays all published here for the first time with a synthetic introduction succinct abstracts of each debate suggested further readings and study questions for each controversy and a list of further controversies to be explored

Virtues in Action M. Austin,2013-10-10 In recent decades many philosophers have considered the strengths and weaknesses of a virtue centered approach to moral theory Much less attention has been given to how such an approach bears on issues in applied ethics The essays in this volume apply a virtue centered perspective to a variety of contemporary moral issues and in so doing offer a fresh and illuminating perspective Some of the essays focus on a

particular virtue and its application to one or more realms of applied ethics such as temperance and sex or humility and environmental ethics Other chapters focus on an issue in applied ethics and bring several virtues into a discussion of that issue or realm of life such as sport education and business Finally several of the chapters engage relevant psychological research as well as current neuroscience which enhances the strength of the philosophical arguments Humility and Human Flourishing Michael W. Austin, 2018-10-25 In many Christian traditions humility is often thought to play a central role in the moral and spiritual life In this study of the moral virtue of humility Michael W Austin applies the methods of analytic philosophy to the field of moral theology in order to analyze this virtue and its connections to human flourishing The book is therefore best characterized as a work in analytic moral theology and has two primary aims First it articulates and defends a particular Christian conception of the virtue of humility It offers a Christological account of this trait one that is grounded in the gospel accounts of the life of Christ as well as other key New Testament passages The view of humility it offers and defends is biblically grounded theologically informed and philosophically sound Second the volume describes ways in which humility is constitutive of and conducive to human flourishing Christianly understood It argues that humility is rational benefits its possessor and contributes to its possessor being good qua human Austin also examines several issues in applied virtue ethics He considers some of the ways in which humility is relevant to several of the classic spiritual disciplines such as prayer fasting solitude silence and service He considers humility's relevance to issues related to religious pluralism and tolerance Finally the book concludes with a discussion of the relevance of humility for family life and how it can function as a virtue in the context of sport The Virtue of Courage Blaine J. Fowers, 2025-06-12 The contributors to this volume offer new insights on Aristotelian perspectives of courage as well as Stoic Confucian Christian or Thomist Jewish and African perspectives of the virtue They offer important observations about the communal ethnic and religious elements of courage They ask what place courage has in healthcare or contemporary career development and how courage might be applied by ordinary citizens as well as by leaders in contemporary liberal democracies These essays make it clear that reflections on courage are highly salient in a world that is experiencing global political unrest and profound uncertainty about the future

Glittering Vices Rebecca Konyndyk DeYoung, 2020-06-02 Drawing on centuries of wisdom from the Christian ethical tradition this book takes readers on a journey of self examination exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness The first edition sold 35 000 copies and was a C S Lewis Book Prize award winner Now updated and revised throughout the second edition includes a new chapter on grace and growth through the spiritual disciplines Questions for discussion and study are included at the end of each chapter **Pro Ecclesia Vol 25-N1** Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, Pro Ecclesia, 2016-03-03 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology

This is likewise one of the factors by obtaining the soft documents of this **Being Good Christian Virtues For Everyday Life** by online. You might not require more mature to spend to go to the books launch as with ease as search for them. In some cases, you likewise complete not discover the message Being Good Christian Virtues For Everyday Life that you are looking for. It will very squander the time.

However below, with you visit this web page, it will be as a result utterly simple to acquire as without difficulty as download guide Being Good Christian Virtues For Everyday Life

It will not give a positive response many time as we tell before. You can attain it while accomplish something else at house and even in your workplace. fittingly easy! So, are you question? Just exercise just what we come up with the money for below as with ease as review **Being Good Christian Virtues For Everyday Life** what you afterward to read!

Being Good Christian Virtues For Everyday Life Introduction

In the digital age, access to information has become easier than ever before. The ability to download Being Good Christian Virtues For Everyday Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Being Good Christian Virtues For Everyday Life has opened up a world of possibilities. Downloading Being Good Christian Virtues For Everyday Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Being Good Christian Virtues For Everyday Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Being Good Christian Virtues For Everyday Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Being Good Christian Virtues For Everyday Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to

utilize reputable websites that prioritize the legal distribution of content. When downloading Being Good Christian Virtues For Everyday Life, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Being Good Christian Virtues For Everyday Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Being Good Christian Virtues For Everyday Life Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Being Good Christian Virtues For Everyday Life is one of the best book in our library for free trial. We provide copy of Being Good Christian Virtues For Everyday Life in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Being Good Christian Virtues For Everyday Life. Where to download Being Good Christian Virtues For Everyday Life online for free? Are you looking for Being Good Christian Virtues For Everyday Life PDF? This is definitely going to save you time and cash in something you should think about.
