

To the Owner of a Belarus Tractor

Practical experience is the key to the successful design and manufacture of your new Belarus tractor. For many years Belarus tractors have been operating in all types of conditions in many parts of the world. However, any product will only be as good as the care and service that is provided by the end user.

Use this manual as your guide. If you follow the instructions given in this manual, your Belarus tractor will work well for many years.

Your local Belarus dealer can give you assistance with Belarus made parts and persons with special training that have the equipment and know the best methods of repair and maintenance for your tractor.

Call your dealer if you need any assistance or additional information.
