An Open Heart Practicing Compassion In Everyday Life:

An Open Heart Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 2002 In the Dalai Lama's own words It is my hope that the reader of this small book will take away a basic understanding of Buddhism and some of the key methods by which Buddhist practitioners have cultivated compassion and wisdom in their lives The methods discussed have been taken from three sacred texts of Buddhism I would like to stress at the outset however that one doesn't have to be a Buddhist to make use of these meditation techniques Meditation is merely the process whereby we gain control over the mind and guide it in a more virtuous direction Meditation may also be thought of as a technique by which we diminish the force of old thought habits and develop new ones Yet the techniques themselves do not lead to enlightenment or a compassionate and open heart That is up to you and the effort and motivation you bring to your spiritual practice

An Open Heart Dalai Lama, 2024-09-24 A celebration of others a simply reasoned supplication that extols the virtues of transforming pride into humility and anger into love Brent Simon Entertainment Today Compassion sympathy for the suffering of others and the desire to free them from it is wrestled with in all spiritual traditions Yet how does one actually become a compassionate person What are the mechanisms by which a selfish heart is transformed into a generous heart In this acclaimed bestseller His Holiness the Dalai Lama writes simply and powerfully about the everyday Buddhist practice of compassion offering a clear practical inspiring introduction to the Buddhist path to enlightenment Above all else readers will find this book very uplifting His Holiness's complete commitment to his Buddhist practice radiates throughout **An Open Heart** and provides an instructive glance into the spiritual core of Buddhism Melissa Nowak Bloomsbury Review This book is a treasury of teachings that point clearly to a better way to live With characteristic deftness His Holiness the Dalai Lama here builds bridges from the realities of everyday life to sublimely spiritual pursuits Publishers Weekly **An Open Heart** is not *The Art of Happiness II* It is more like a primer in the Buddhist way Its purpose is stated clearly right at the beginning that the reader of this small book will take away a basic understanding of Buddhism and some of the key methods by which Buddhist practitioners have cultivated compassion and wisdom in their lives Judith Neuman Beck San Jose Mercury News

An Open Heart The Dalai Lama, Bstan-'Dzin-Rgy, 2014-05-21 Provides a basic understanding of Buddhism including some of the key methods which Buddhist practitioners use to cultivate compassion and wisdom in their lives **An Open Heart** Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 2001
