Analyzing Qualitative Data Graham Gibbs, 2018 This title tackles the challenges of how to make sense of qualitative data. It offers students and researchers a hands-on guide to the practicalities of coding, comparing data and using computer-assisted qualitative data analysis. Lastly, Gibbs shows you how to bring it all together so you can see the steps of qualitative analysis, understand the central place of coding, ensure analytic quality and write effectively to present your results.

Analysing Qualitative Data Graham R Gibbs, 2012-06-21 Outlining how to select the most appropriate tool for analyzing data, *Analysing Qualitative Data* also provides the reader with an awareness of the various challenges that are unique to interpreting the conceptual and subjective data generated in qualitative research.

The SAGE Qualitative Research Kit: Analyzing qualitative data Steinar Kvale, 2018 *The SAGE Handbook of Qualitative Data Analysis* Uwe Flick, 2013-12-18 The wide range of approaches to data analysis in qualitative research can seem daunting even for experienced researchers. This handbook is the first to provide a state-of-the-art overview of the whole field of QDA from general analytic strategies used in qualitative research to approaches specific to particular types of qualitative data including talk, text, sounds, images and virtual data. The handbook includes chapters on traditional analytic strategies such as grounded theory, content analysis, hermeneutics, phenomenology and narrative analysis as well as coverage of newer trends like mixed methods, reanalysis and meta-analysis. Practical aspects such as sampling, transcription, working collaboratively, writing and implementation are given close attention as are theory and theorization, reflexivity and ethics. Written by a team of experts in qualitative research from around the world, this handbook is an essential compendium for all qualitative researchers and students across the social sciences.

The SAGE Qualitative Research Kit Uwe Flick, 2009-03-27 This is an impressive collection that will form a must-have resource for those undertaking teaching or studying qualitative research. It is nicely balanced to include practical advice and methodological discussion on a range of issues including research design, data collection, analytical approaches and the political economy of contemporary qualitative research practice. Amanda Coffey, Cardiff University. The SAGE Qualitative Research Kit is a major event in the world of Research Methods publishing. The kit comprises eight quality volumes that provide practical and accessible advice on how to conduct state-of-the-art qualitative research. This is an ideal toolkit for students and researchers for use in planning and carrying out research in a variety of academic and professional
