many abused children come from **Finding Anna: A Memoir** Trish Kaye Leone,2014-01-29 Every little girl dreams of being a Princess she just wanted her Mommy and for the boys to stop making her do stuff to satisfy them Finding Anna is a gripping first hand account of a child who survives the horror of sexual abuse and abandonment by those tasked to care for her in a society that turns a blind eye to sexual abuse A love child unwittingly passed on from one caretaker to the next eventually ends up being abandoned and left in the care of her philandering father s family She discovers the painful reality that life can be cruel Trish a child struggles to understand why she was abandoned by her own mother and tries to deal with the trauma of being sexually abused by various family members Can Trish now an adult heal from the pain of a childhood tormented by the rape of her mind body and soul Finding Anna is a story that exposes the stark ugly truths about being abused and abandoned Child sexual abuse is a social issue that chooses no race religion culture and gender and those who are lucky to survive it carry the welts and wounds deep into their souls for a lifetime My country in South East Asia has one of the highest child sexual abuse cases Unfortunately the government is doing little to raise awareness and create child protection programs to safeguard children from predators My goal is to reach as many readers as possible and inspire survivors to come out in the open and advocate against child sexual abuse Trish Kaye Leone *No Mercy* Claire Woods,2016-12-18 Claire lost more than her innocence when she was abused at the hands of someone she trusted She lost everything Claire knows she made a terrible choice that night but she deserves a second chance after all she was just a child However the evil actions of her abuser deserve no forgiveness She s now ready to tell her incredible story She wants the whole World to know what really happened at that school and that house The truth has been covered up for far too long You as the reader must decide if justice was truly done **A True Life Story About An Abusive Girl** Jae Richel,2021-04-12 This book chronicles the story of a 5 year old child who was abused and murdered by her mother s boyfriend Denise a social worker and co worker of the child s mother narrates this heart breaking tale The story is certainly compelling However the writing is not the best The book was filled with errors in punctuation grammar spelling and inappropriate word usage which severely hampers the credibility of the author It is a heart wrenching nonfiction story about how one little girl paid the ultimate price of child abuse death and the circumstances surrounding it The author takes us into the every day horrors of the child welfare system and gives voice not only to the little girl in which she befriends but to all children that can t tell their stories She also delves into the psychology and seemingly unaffected ways of the mother and once friend as well as how this tragedy severely affected herself and those around her Get your copy today **Never Tell** Catherine McCall,2014-05-12 Catherine McCall s childhood seemed postcard perfect with her well to do cosmopolitan parents a private education and two baby grand pianos she had everything a girl could ever want But as an adult McCall began to remember terrible things revealing that the idyllic childhood she had on paper was nothing more than a fa ade hiding her father s terrible secrets Never Tell provides a lucid gripping narrative on the survival and healing from childhood sexual assault The Girl Nobody

Wants Lilly O'Brien,2011-11-24 You only get one chance to live your life as a child but Lily was never given that chance her childhood was taken from her before it ever begun From the age of four when she was first sexually abused her life changed forever when she walked through the institution s doors in Ireland her life continued along the same path that has destroyed her soul Her emotional pain is as strong today as it was the day it began and will never leave her alone When I go to sleep it s in my head and when I wake up I can see it in the mirror and I am only waiting to die A child abuse story that will stay with you forever and one that you will talk about for many years to come The Girl Nobody Wants is a harrowing true story that will appeal to fans of biographies and fans of Jodi Picoult It has been compared to Dave Pelzer s A Child Called It Damaged by Cathy Glass and The Kid by Kevin Lewis *No Tears For My Father* Lenny Freiser,2021-07-15 Childhood abuse can consist of many different experiences Adults who have lived through experiences of abuse are often referred to as adult survivors of childhood abuse Statistics are difficult to obtain because of the secrecy and shame that often surround such abuse but we do know that such abuse occurs in all races religions and economic classes To the outside world she was a bright popular all American adolescent But at home behind closed doors lived another Katherine shamed isolated afraid locked in a forbidden embrace from which there was no escape It was a secret too terrible to silence It had to surface shattering her life changing it radically but with its release bringing at last a new hope not just to Katherine and her family but to all the Katherine Bradys everywhere who will recognize themselves s they read her story
