Basharat Peer Curfewed Night:

Curfewed Night Basharat Peer, 2011-11-20 Basharat Peer was a teenager when the separatist movement exploded in Kashmir in 1989. Over the following years countless young men seduced by the romance of the militant fuelled by feelings of injustice crossed over the Line of Control to train in Pakistani army camps. Peer was sent off to boarding school in Aligarh to keep out of trouble. He finished college and became a journalist in Delhi. But Kashmir angrier, more violent, more hopeless was never far away. In 2003 the young journalist left his job and returned to his homeland to search out the stories and the people which had haunted him. In Curfewed Night he draws a harrowing portrait of Kashmir and its people. Here are stories of a young man's initiation into a Pakistani training camp, a mother who watches her son forced to hold an exploding bomb, a poet who finds religion when his entire family is killed, of politicians living in refurbished torture chambers and former militants dreaming of discotheques of idyllic villages rigged with landmines, temples which have become army bunkers and ancient Sufi shrines decapitated in bomb blasts. And here is finally the old story of the return home and the discovery that there may not be any redemption in it. Lyrical, spare, gutwrenching and intimate, Curfewed Night is a stunning book and an unforgettable portrait of Kashmir in war.

Curfewed Night Basharat Peer, 2010 Winner of the Crossword Prize for non-fiction. Curfewed Night is a passionate and important book, a brave and brilliant report from a conflict the world has chosen to ignore. Salman Rushdie **Curfewed Night** Basharat Peer, 2010 Curfewed Night is a brave and unforgettable piece of literary reporting that reveals the personal stories behind one of the most brutal conflicts in modern times. Since 1989 when the separatist movement exploded, more than seventy thousand people have been killed in the battle between India and Pakistan over Kashmir. Born and raised in the war-torn region, Basharat Peer brings this little-known part of the world to life in haunting, vivid detail. From book jacket Kashmiri Life Narratives Rakhshan Rizwan, 2020-04-19 Kashmiri Life Narratives takes as its central focus writings, memoirs, non-fictional and fictional Bildungsromane published circa 2008 by Kashmiris living in the Valley of Kashmir, India or in the diaspora. It offers a new perspective on these works by analyzing them within the framework of human rights discourse and advocacy. Literature has been an important medium for promoting the rights of marginalized Kashmiri subjects within Indian-occupied Kashmir, successfully putting Kashmir back on the global map and shifting discussion about Kashmir from the political boardrooms to the international English language book market. In discussing human rights advocacy through literature, this book also effects a radical change of perspective by highlighting positive rights to enjoy certain things rather than negative ones to be spared certain things. Kashmiri life narratives deploy a language of pleasure rather than of physical pain to represent the state of having and losing rights.

Since then it has been growing in rapid number and many writers

alongwith theorists like Edward Said Gayatri Chakravorty Spivak Bill Ashcroft and Homi K Bhabha from across the globe have started writing their theory as well as literature Writers from Africa and the Caribbean South Asia mostly from Indian subcontinent New Zealand England and Ireland are taking interest in this area of study Now the area of postcolonial English literature has become so broad and ever expanding that the task of encompassing it in an anthology has become a tough work Still the present anthology is an endeavour from the part of authors and contributors to comprise the ever widening area of postcolonial English literature into twenty one well written chapters of different perspectives which the authors hopefully see serve the window through which the glimpses of many unexplored regions of this area of study will be caught

The Shakespearean International Yearbook Alexa Alice Joubin, Natalia Khomenko, 2025-06-30 In the modern world references to Shakespeare frequently mark moments of catastrophe and of the accompanying longing for restoring social order remedying injuries and building strong communities Shakespeare's moral authority has often been invoked to support artistic projects that claimed social justice as their goal on the assumption that drama has the power to manipulate perceptual reality Drawing on cases from around the world this book interrogates the idea that performing or reading Shakespeare has socially reparative value It also acknowledges Shakespeare as a potential source of social well being practices in the arts The global framework shows that it is problematic to view Shakespeare as an impartial moral center This book proposes that reparative creativity or remedial uses of the canon can give artists and audiences more agency Having a map of canonical texts hidden ideologies can help readers artists and playgoers navigate its landscape which is in itself a reparative act
