Creating an Internal Certification Program Sara Bushman, 2013-02-16 One of the most effective ways to address a knowledge or skill gap is through an internal certificate program. These programs can help an organization strategically and thoughtfully develop its talent while aligning with organizational goals and performance. But how do you know if a certificate program is right for your organization and where do you start? The Creating an Internal Certification Program Infoline will show you how to differentiate between certificate programs and certification, determine needs and capabilities for building a certificate program, design, develop, implement a certificate program step by step, create a program evaluation plan for program maintenance. Also included is a job aid to help you evaluate your program as well as a sample timeline and checklist to keep you on track.

Beyond Free Coffee & Donuts Sophie Oberstein, 2023-05-26 A one-stop resource for developing creative ways to ensure the right people learn the right skills and produce the right results. Getting butts in seats is not a measure of success, nor is it a guarantee that your messages will be heard. Beyond Free Coffee Donuts will help you get the word out. Understand what motivates customers, both external and internal, develop a successful marketing campaign and learn the essentials for garnering attention and promoting retention.

Digital Transformation Champions Missy Parks, 2025-10-21 Lead, plan and execute a winning digital transformation training program. Digital transformations are an integral and inescapable reality of today's business world. However, they rarely proceed without disruption, and when people don't know how to use new technology to do their jobs, expected wins remain inaccessible. That doesn't have to be the case. Digital Transformation Champions provides a framework for directing a training program that helps organizations across industries successfully upskill their teams. Drawing on literature, research and author Missy Parks's twenty-five plus years of experience leading digital transformation efforts, this guide delivers a structured approach to both large-scale and incremental initiatives. With solutions to common missteps and practical tools and samples to manage training activities, Digital Transformation Champions empowers leaders to drive confident, competent adoption of new technologies and business processes. By applying the concepts set forth in this book, you can achieve better learning and lasting adoption, requisites for competitive business change.
