Brief Survey Bible Study Guide:

A Brief Survey of the Bible Study Guide Zondervan, 2015-12-01 The Bible is the inspired Word of God and over the centuries it has changed people's lives and led them to God. Yet sometimes it can be a difficult book to understand. The culture in which the Bible was written is so different from our own that at times we struggle to understand what it means or how it is relevant to our modern lives. In this 14-session video Bible study DVD, digital sold separately, Bible professors John Walton and Mark Strauss give you the background you need to successfully understand even the difficult parts of the Word of God. They provide an overview of the Bible's key themes, show what the teachings meant to the people at the time, and explain how those teachings apply to your life today. By the end, you will have a greater understanding of Scripture, know how all the books work together, and understand what God has done to make a way for you to come to him. This study guide includes group discussion questions and notes to help you get the most out of the fourteen video sessions in *A Brief Study of the Bible Video Study*. An overview of each book of the Bible and a daily reading plan. Between sessions, Scripture passages, reading tips, and key stories to help you dig into the content. Additional facts to help you understand the situations behind the story. Sessions include: Introduction, Genesis, Exodus, Leviticus, Deuteronomy, Joshua, 1 Samuel, 2 Samuel, 2 Kings, 1 Chronicles, Nehemiah, Esther, Psalm 90, Psalm 91, Song of Songs, Isaiah, Lamentations, Ezekiel, Malachi, Matthew, Mark, Acts 8, Acts 9, Philemon, Hebrews, Revelation. As such, it features pedagogical tools such as Try It Out boxes to assist students to develop a tested and thought-through overall interpretative strategy of their own. This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness, integrity, and faithfulness. In a book like Isaiah, historical events are presented out of order, and right next to future prophecies without obvious distinctions between the two. Plus, it's full of strange symbols like the sprout that grows out of the root of Jesse. What we need is a guide, someone who will tell us what's historic and what's prophetic and explain all the strange symbolism clearly and simply. This is what the best preachers do, but you don't have to wait until Sunday's sermon.
