to the point of passing out listen to your body and build up your stamina gradually if you NEED to rest after every exercise then do it but time your rest and try to reduce it gradually over the course of the program The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned The less rules you have to follow the higher your chances of success There is also a tendency to throw too much at your body at first you end up burning out and falling off the wagon This program will build you up from the ground gently which will massively increase your chances of succeeding by sticking with the program There is a lot of confusion and misinformation when it comes to diet and exercise I have made this program very easy to follow and applied rules that have proven to work time and time again This is a no gimmicks no nonsense plan This eBook contains the following information to ensure your success in the program 18 mins workout day for week 1 8 week easy to follow nutrition plan 4 complete home exercise routines 20 video links to home exercises 10 golden rules to secure your success ABOUT THE AUTHOR Alex Betts Founder of FitnessGuruSG.com is passionate about health and fitness and enjoys seeing people make positive lifestyle changes to improve their well being Alex has helped transform hundreds of individuals to become healthier fitter and stronger physically and mentally At a young age Alex developed a fascination for the potential of the human body to be sculpted and to demonstrate strength confidence and power After seeing my body start to change shape and muscles appearing in places where I had never seen them before I was instantly hooked this became my wonderful obsession my therapy and kept me on the straight and narrow no matter what life threw at me Alex believes that there is so much more to training than vanity He believes it empowers people to take control of their lives and gives them a daily sense of accomplishment It also gives them a healthy awareness of how everything they do and consume directly affects their mind and body Alex earned his degree in Sports Exercise Science from the University of Leeds UK in 2005 He is also the President of Singapore Federation of Bodybuilding Fitness SFBF The SFBF is the only federation in Singapore recognized by the International Federation of Bodybuilding and Fitness IFBB organizers of world renowned fitness and bodybuilding competitions namely Joe Weider's Olympia Weekend and The Arnold Classic Sports Festival *Total Body Transformation* Michelle Bridges, 2014-04-08 NEW YORK TIMES BESTSELLER Get ready for a Total Body Transformation Meet Michelle Bridges the straight talking star trainer of Australia's The Biggest Loser and founder of Australia's 1 online weight loss program With her 12 Week Body Transformation Michelle has inspired her countrymen and women to lose more than two million pounds Now in Total Body Transformation she shares her unique exercise nutrition and mindset program which will give you the power to transform your body in just 90 days Her goal To help you lose weight rapidly and keep it off for good Join the hundreds of thousands of people who have already discovered the magic of her method and get the skinny on Diet Michelle combines nutrition know how with delicious easy to make recipes and sensible meal plans even pasta that minimize calories and maximize your eating pleasure Enjoy Homemade Muesli with Yogurt Salmon Steak with Arugula and Asparagus Penne with Feta and Lemon and more along with healthy snacks to eat throughout the day Workouts The rubber meets the
